own business was so much easier than I had always thought . . . why the day to day guidance of a successful worldwide organization could assure my own success.

I read the booklet several times. It just seemed too good to be true. I talked it over with my wife. We decided that **now** was the time to make the forward step . . . there was no reason to keep postponing an income increase.

So, I applied for a Duraclean dealership and I was accepted. I stayed with my job . . . ran a few ads . . . sent some mailings . . . contacted a few stores and told my friends about the superior services I was now equipped to give them. Evenings and Saturdays, I rendered the service. As the business grew, I added servicemen.

I found that I didn't have to develop a single idea myself. Every step had been prepared for me and pre-tested. Hundreds of other men had already proven my methods successful.

It didn't take long to see that I was making three to four times (yes, 3 to 4 times) as much per hour in my own business as in my printing job. So, after only seven months with a good following of customers, I quit my job to go full time on my own. In the meantime, I had enjoyed all this extra income on top of my salary.

Each day, we realized what a **serious** mistake not mailing that coupon would have been . . . and how that little act that seemed so trivial at the time actually changed our lives.

The steadily growing income brought us many things we could not afford before. My efforts were so much more productive. I scheduled my time to my own liking. When we wanted a day or two off, we took it. I worked hard but, if I wanted to be home early or quit at noon, I did.

I became so enthusiastic about this business and so appreciative of what it had brought my family that, whenever a man opened a dealership near me, I helped him get a quick start.

The company learned about this and had each new dealer in my section of Michigan spend a day with me. One day the president of Duraclean Company asked me how I would like to move to Headquarters and spend my entire time helping dealers to increase their sales and profits.

That was good news to my ears. Since then I have worked with hundreds of our dealers in their own towns and at regional meetings, con-

SOME YEARS AGO I was a printer in a small Michigan town.

I drew a pretty fair pay check but it wouldn't stretch far enough to provide the kind of living I wanted for my wife and five children.

Then one day I was reading a magazine just as you now are and I saw an ad. It intrigued me. It offered me the steadily growing income I had always hoped for. It said I would have greater security and personal independence . . . and that's what I had been wanting.

I was a little skeptical, but I said to myself, "for a postage stamp I can find out." So I mailed the coupon. In a few days, I got a letter with a booklet that gave the whole story. It opened my eyes. I could see why owning my

present job, would \$21 profit per hour?

ventions and dealer group meetings.

Incidentally I sold my dealership at a good profit. If for any reason a dealer wants to sell, we maintain a service to locate buyers and help him sell.

Our job here at headquarters is to show each individual Duraclean dealer how to use his own abilities to bring him greatest success.

It's Easier than You Think To Build Your Own Business

If you've wanted to BE YOUR OWN BOSS... to become financially independent and have a fast growing income, now YOU CAN. And you own a Nationally Advertised business.

You can stay at your present job while your customer list grows... then switch to full time, lining up jobs for your servicemen to do. One job a day brings a good starting income.

If you hire two servicemen (full or part time) while you keep your job, the national price guide provides you a gross profit of \$14 an hour on their work and this is much easier to do than you think. **We show you how...** step by step. That's \$490 for a 35 hour week.

Your gross profit on three servicemen is \$21 per hour. An efficient Duraclean dealer can gross \$7 per hour on EACH serviceman plus \$12 an hour on any service he himself renders. The 24 page illustrated booklet we'll mail you (with no obligation) explains how most of your gross profit becomes **clear net profit**. Your income is limited only by the number of servicemen you employ.

You can operate from a shop, office, or your home. Equipment is light and portable.

At the start, you may want to render service yourself... or you can start with full or part time servicemen. This business is easy to learn... easy to start... so easy to service that women dealers do it. We prefer you have no experience... not have to "unlearn" old ways.

We are NOW enlarging this worldwide system of individually-owned service businesses. If you are reliable, honest and willing to work to become financially independent, we invite you to mail the coupon.

When you receive our illustrated booklet, you will see the way we show you **step by step** how to quickly get customers... and still more customers from their recommendations.

You have 7 superior services that are rendered "on location" in homes, offices, hotels, theaters, clubs, motels and institutions.

These are not ordinary services. You have the prestige and endorsement of leading furniture makers and carpet mills, of National Magazine editors, of Research and Testing Laboratories.

National magazine advertising explains superior merits of **your** services, builds **your** customer confidence and brings job leads to **you**.

Stores, upholsterers, insurance adjusters, and decorators refer jobs to our dealers. These year 'round services are in constant demand.

Start Small, Grow Big in this Booming Business

Many men have said to us, "I can't afford to give up my job till I know I have a sure thing... a sound business that will provide both security and a better living for my family."

That made sense to us so we worked out such a plan... and those same men are now enjoying a Duraclean dealership in many communities. You don't experiment. You use **tested, proven** methods. You have our **backing** and "know how."

Does this appeal to you? Don't decide now. Mail the coupon so you'll have the facts to decide wisely. There is no obligation. You'll then know whether this is what you want.

You can start small and grow big. A third century ago Duraclean was an idea... but it caught fire and spread to a world wide service.

Our first service, the care of upholstery and carpets not only cleans, it enlivens the fibers... revives dull colors. Pile rises with **new life**. There's no harsh machine scrubbing. No soaking. Mild aerated foam lightly applied lifts out dirt, grease, many unsightly spots like magic. Furnishings are used again in a few hours.

Government figures show service businesses are **growing faster** than industries and stores... \$750 million yearly potential just in rug and furniture cleaning. Your **6 other services** are explained in the free booklet we'll mail you.

Only \$1985 starts you in YOUR OWN business. A day's profit more than pays the monthly payments we finance for you.

It is surprisingly easy to learn this business. You can decide from the information we will send you whether to apply for a dealership. So, with **no obligation whatever**, mail the coupon **TODAY**.

THE SPOILER

MIAAMI, FLA.—There can be no doubt about it anymore. The Spoiler is not playing with a full deck of cards. To put it more directly, the guy's a nut.

After losing his Southern states title to Wahoo McDaniel, Spoiler came running through the dressing room corridor like a berserk Mack truck. Upon reaching his dressing room, he ran inside and tried to put a clawhold on the cement wall. Naturally, the wall won, and Spoiler's hand became swollen and misshapen.

At this point, he threw all the reporters out of the room and slammed the door. Inside, behind the door, we could hear Spoiler

Television Psychic Bob Ferguson shows you

MAGIC WORDS TO COMMAND MIRACLES OF WEALTH, LOVE, AND HEALTH—IN MINUTES!

Here is staggering proof, based on actual reported miracles, that what has worked for thousands will absolutely work for you!

Yes, how would you like to say some magic words, and be showered with hundreds of dollars in as little as 45 minutes! Or use amazing healing words, and get rid of crippling ailments instantly! Do you realize that it is possible to instantly and secretly command others to do your bidding... punish evil doers... see behind closed doors... be anything and have anything your heart desires... with magic words so simple yet so powerful, they can only be described as miraculous!

Yes, soon miracles will be happening to you every day, with the amazing secret of PSYCHIC TELEMETRY! My name is Robert A. Ferguson. You may have seen me on TV. I have shown hundreds how to use this amazingly simple power to command instant miracles to happen in minutes!

Impossible? I have staggering proof that it's not only possible but absolutely true and that this MIRACLE POWER WILL ABSOLUTELY WORK FOR YOU—to change your life from poverty to riches, from poor health to radiant new health, to bring whatever you desire almost instantly! I'm not exaggerating when I say the sky's the limit!

POSITIVE PROOF THAT WHAT I SAY IS TRUE!

Right now I'm going to prove to you how easily PSYCHIC TELEMETRY works for you. Remember, I cannot profit by exaggeration. What I tell you has got to be true, and it costs you nothing to find out for yourself.

● **HUNDREDS OF DOLLARS IN 45 MINUTES!** I have a report here from Mary D. who needed \$4000 quickly. She had no idea where she could get the needed money. Her sister gave her a Psychic Telemetry Enchantment to say. In only 45 minutes, she received \$400 from an unexpected source!

That's chickenfeed compared to the staggering results many others have achieved with these magic words! Dave E. had been unable to find a job, and had only 3 days left before having to pay a big bill. He didn't have a cent. In one session, I showed him how to use the Psychic Telemetry Prosperity Ritual. The next morning, he was all smiles, as he reported a sudden windfall of \$2,000—more than enough to pay the bill. A miracle? Of course! Yet just a very average example of the power of these magic words!

Dave used the Prosperity Ritual at about 9:00 P.M. At 8:00 A.M. the following morning, he got the money! As simple as that! I HAVE HUNDREDS OF CASES ON FILE, PROVING HOW EASILY MIRACLES HAPPEN with these magic words! Before I give you the next case, let me say this: **DO YOU NEED MONEY?** Say the powerful words on page 37! With this secret, money is always available to you!

You can get any amount of money at any time you need it! I am telling you the sky's the limit on how much money you can ask for and receive quickly with this power! Proof?

HOW AGNES C. WON OVER \$500,000 WITH THE WORDS FOR WINNING CONTESTS!

Agnes C. was told about enchantments and spells, but insisted that she possessed no psychic powers and never had any psychic experiences. Here's what happened: she kept dreaming of a man in a flowing robe with dollar signs all over it, holding up 7 fingers, saying: "A dollar a day keeps poverty away!" She purchased a one-dollar lottery ticket.

"I simply could not believe it when my number was drawn for the grand prize (7 days later). I still can't believe it," she says. "I won over a half-million dollars." Agnes and her family are now enjoying their new lakefront home with its private boathouse and dock. They have two expensive autos and all the other luxuries money can buy.

The point is: YOU CAN USE THE SAME SECRET! You'll find the very words she used on page 37 of my book, and it won't cost you a single cent to find out what they are, and how they'll work for you.

MAGIC WORDS FOR MIRACLE HEALING!

Before I tell you how YOU may achieve a MIRACLE HEALING, let me tell you how a man was healed of arthritis in FIFTEEN MINUTES! A friend of mine, Louis A., tried the power Ritual for Magnetic Healing on page 146 on his next-door neighbor, Ken, who was confined to a wheelchair with arthritis. In a matter of minutes, the crippled man was WALKING! "I haven't been able to walk for months," he said, "and you got me out of my wheelchair."

Since that day, Louis has been able to heal "incurable" diseases! AND YOU CAN DO THE VERY SAME THING! This is just an average case. With this power, you can command healings like this on almost a daily basis. I'm telling you this power is FANTASTIC!

Look what you can do, with exact words I give you on page

139-140—

● Cure ulcers, nervous headache, and insomnia! Calm the nerves!
● Cure diseases of the liver and spleen—stop bleeding!
● Strengthen the eyes, control epilepsy and disorders of the stomach!

● Cure heart disease, increase circulation, and heal gout!

● Heal burns, conditions of the nose, throat and sinus, treat hay fever and asthma!

... and much more! With these words, you ask great rays of healing power to enfold you, pulsating within every nerve and cell of your body, cleansing, soothing and healing! Whatever you are trying to heal, you know the job will be done.

MIRACLE CURES REPORTED!

Do you realize that it is possible to get rid of crippling ailments almost instantly with healing words? You can command that all sickness and disease be banished from your body! Here is a force so powerful that it almost defies description! It can heal a withered limb or return sight to the blind... raise the crippled from their beds! It has brought miracle cures to the suffering and the lame!

● **KIDNEYS MIRACULOUSLY HEALED!** Evelina's only hope was to find a suitable kidney donor. She was so weak, it took two people to almost carry her to the hospital for her frequent treatments. There seemed to be little hope for her. With this method, she says—

"My whole body began to tingle—it felt like little electric shocks were playing games at the small of my back... suddenly... I knew I was healed! I leapt from my bed and ran into the living room screaming, 'I'M HEALED, I'M HEALED!' Our house was filled with tears of joy that night."

Today she is so healthy, she can hike and even climb mountains! It happens all the time with PSYCHIC TELEMETRY!

● **HOW HARVEY C.'S ASTHMA WAS CURED!** Harvey C. suffered asthma all his life. He could never run more than a few steps, without gasping for breath. Doctors were unable to cure it. I was so positive Harvey's asthma could be cured, I merely had him say the words on page 139-140. He never had another asthma attack! Now he can run and even play tennis!

● **HAROLD SAW HIS LUNG SPOT VANISH!** Harold F. was shocked, when told he had a spot on his lung, and needed an immediate operation. His wife quickly used the amazing healing words on page 145. The day before the operation, when x-rays were taken, the doctor was baffled. "I don't know how to explain this," he said. "Your lungs are perfectly clear."

MAGIC FORCES THAT WORK MIRACLES

Once you call on them, powerful forces stand ready to fulfill your every command. You can be confident that they will work a miracle.

● **HOW ALLEN F. WON \$800 AT THE CRAP TABLE AFTER USING THE MAGIC WORDS ON PAGE 30!** Allen F. needed \$800 by Monday morning. It was Friday already, and things looked hopeless. He's never been inside a gambling casino and knew nothing about roulette, craps, or blackjack, but he had a strange urge to try it. With only \$1, he said the magic words on page 22, turned silently, and headed for the crap table. He threw the dice, and it came up 7. He tried it again and again. A crowd gathered. The dice were changed, but he kept throwing 7's. He walked away with \$800!

Anyone can use these magic words. When you use them, what you command *does* happen! You can count positively on real results. It always works! It is not evil—nor is it Black Magic. Like electricity, it is simply a power given by nature to make life easier!

● **MAGIC WORDS GIVE YOU POWER OVER OTHERS!** Say the magic words on page 44 to make others do your bidding. With this Enchantment, you send forth mystic rays of power to impress those whom you command to bend to your will at all times. It makes other people like putty in your hands! No one can resist you! Let me show you how easily this happens!

To use this power is simplicity itself! Say the magic words—then just sit back and relax. Within seconds, minutes at most, you will have a willing, obedient slave!

You can stand next to a person and place a thought in his or her mind. When others are asleep, you are free to speak directly to their subconscious mind. Your voice is remembered upon awakening. People obey your commands. It's fantastic!

● **MAGIC WORDS THAT BRING YOU LOVE!** Say the magic words on page 47, to command and guide the perfect partner to you... to command him or her to be blind to your shortcomings, and fulfill your every need and your every desire!

● **MAGIC WORDS FOR SECRET KNOWLEDGE!** The magic words on page 164 allow you to become an invisible traveler to anywhere in the world. You can listen to conversations and you can see what's going on, completely undetected. You will experience the ability to walk through walls and doors. Nothing can be kept secret from you—there is no longer such a thing as a locked door. You can enter any place at will. If you wish to know about

SOMETIMES A MAN'S individual achievement does as much to cleanse the sport as to further his own career. Such an extraordinary combination was put together by Wahoo McDaniel.

This soft-spoken gentleman defeated The Spoiler to win the Southern heavyweight title. To hold a major belt has long been a fervent dream of McDaniel's.

He realized it. And with the fulfillment of his dream, he also rid the sport of one of its cruelest titlists.

Spoiler. A creature who slinks about in grey mystery. A descendent of some horrible mutation. As a young star he allegedly constructed a guillotine to execute animals.

Words have yet to be devised to accurately describe this. McDaniel didn't formulate new words. He didn't have to. His actions were graphic enough. And for those deeds, he has been named "Wrestler of the Month" by the editors of Sports Review Wrestling.

"This is icing on the cake," McDaniel said when informed of the decision. "I had hoped I'd get this award because—and I'm not just saying this—but all the wrestlers value this award. It's funny, but when a guy is named Wrestler of the Month, everyone is jealous."

The climb has been a difficult one for the talented Indian. Beset by an explosive temper, hampered

by injuries, enflamed by rulebreaker racism, Wahoo McDaniel has had to claw and battle for every triumph in life.

"When you have to work hard for something, it makes you appreciate success that much more," McDaniel said.

"I've had to deal with a lot of barriers in my career. Many people said that a former football player wouldn't make it in professional wrestling, so I had to overcome that prejudice.

"Then I had to learn to control my temper. I'm the first to admit that my blood boils a little too quickly. It's not good. Rage is fine if controlled, but when it spills out the results can be suicide. So that was another obstacle.

"There've been annoying injuries, some serious, but that's athletics. If you're in sports you have to expect an injury.

"Probably the worst obstacle is the racial one. I don't want it to sound widespread, but guys like Race and Spoiler, bigots like that and their ratty rulebreaker colleagues, enjoy dumping bigoted stuff on me. It gets under my skin and I sometimes don't know how to handle it. Well, let me tell you a little story.

"It was after a really bloody match against Race in Florida. I came out of the locker room bandaged up. There was this guy, about twenty or so, in a wheelchair. He was right in front of me and looks up and says, 'Wahoo, I know they insult you and call you names. But don't let it stop you. Take it from me.'"

"I didn't know what to say. I didn't get his name. So if he's reading this story, tell him Wahoo listened."

And cares. □

Every month, the editors of SPORTS REVIEW WRESTLING search the globe to find the one man whose achievements have surpassed those of all other wrestlers. Sometimes the selection may shock you. Other times you will be very pleased by the selection. But you will always agree our choice deserves to be "Wrestler of the Month!"

No one knows wrestling better than the fans.

Because of this, we're now giving these experts a forum for their views and opinions. Each month, we'll ask a controversial question and have the fans answer—no matter what those answers might be!

THE QUESTION:

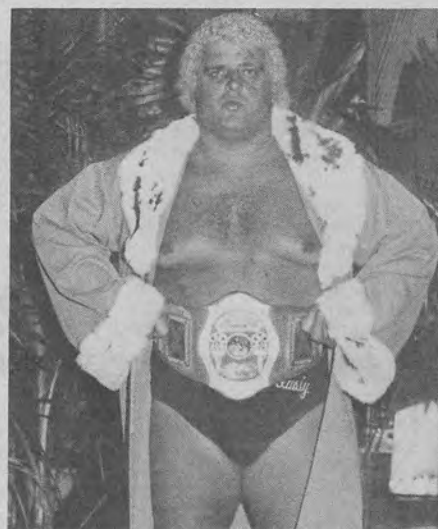

"Who do you think is the best wrestler in the world?"

THE ANSWERS:

Horace Speed, Wilmington, North Carolina: "Harley Race is definitely the greatest wrestler around. Here's a guy who's been champ a

long, long time and taken on all the best his NWA has to offer. He's tough and smart. No one has the combination that Harley has."

Ellen Reiner, Orlando, Florida: "Dusty, of course. The American Dream, the baddest wrestler alive."

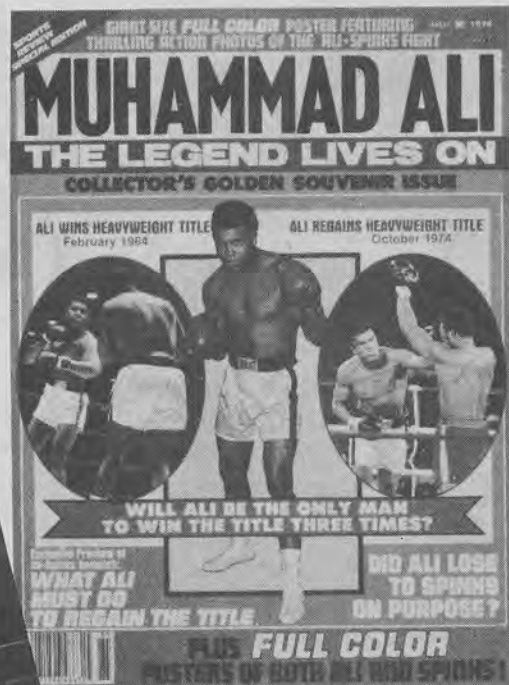

Not bad bad, but good bad. Dusty should be champ right now. I don't know why, but on pure ability, Rhodes is number one for me."

The "Question of the Month" is:

"Why do you wear a mask?"

Submitted by:
Elliot Ranger;
Quincy,
Massachusetts

MIL MASCARAS

"When I started my career, all of the top Mexican wrestlers wore masks. They were my idols. I wanted to wear a mask and be the greatest masked wrestler. It was a natural thing for me."

GOLDEN TERROR

"Another stupid question. Whose business is it whether I wear a mask or not? If I want to wear an oxygen tent, then I will and let's see if anyone is man enough to stop me."

UVALDE SLIM

"When I was a boy on my family's farm, this cow got loose. An ornery creature. Anyway, no one could get her back in. I decided to scare her and fashioned myself this gruesome mask. Got that cow back in. Why not use it on rulebreakers?"

MR. WRESTLING

"I'm the original Mr. Wrestling, which is why I wear the mask. I'm the original. It is my trademark. But I also wrestle without the mask. Just as long as everyone knows that Mr. Wrestling is Tim Woods."

RS ANSWER OF THE MONTH

MR. WRESTLING II

"I wanted a new career as someone else. The mask seemed an interesting way of going about things. It was a fine idea for me. My fans love it, and it is my way of repaying them."

SPOILER

"Sometimes I feel the mask gives me secret powers. The power to hate. And the urge to maim a scientific wrestler. Some lames hide behind their masks. Not me. I use it like another weapon."

DOS CARAS

"There is the proud tradition of mask wearing in my country. And my brother Mil wears a mask, and he has always been an inspiration to me. I am honored to wear a mask. I would not do anything to disgrace the honor."

DESTROYER

"Wearing a mask allows me to block out the view of the ugly fools sitting in the crowd. You know who I mean, the fans. This way my vision is fixed on the fat coward I'm wrestlin'. That's why I wear a mask. Any more questions?"

MASKED SUPERSTAR

"I wear it 'cause I'm too handsome and it would blow all those mindless boob fans out the door if they ever saw my gorgeous puss. Not like other guys, like slimy Mascaras, who wears a mask 'cause his face looks like shredded wheat."

ASSASSIN

"I want to keep my wrestling life and my private life separate. If anyone ever saw me without my mask, I'd never be permitted to wrestle again. That's why I must wear a mask. I have no choice." □

GREAT NEW FEATURE

Your new feature, Inquiring Reporter, is really super. Fans have opinions and it's exciting to go to an arena with the possibility that one of your writers will select a fan to interview.

Managers get their opinions into the magazines. Wrestlers do and so do promoters. Why not fans? I'm not meaning to sound so excited, but I've supported wrestling for twenty years and I know what I'm

Many fans have written to us to praise Dino Bravo (above left) and his many fine matches against notorious rulebreakers like Lumberjack Eric (above right). We will follow Dino's pursuit of the unbeaten string record closely.

MORE BRAVOS FOR DINO

I enjoyed the larger number of Dino Bravo stories that are appearing in your magazine. Ever since Bravo came to the WWWF, I knew he was going to be great.

Even after he and Dominic DeNucci lost their tag team belts to the Lumberjacks, I knew that Dino would bounce back.

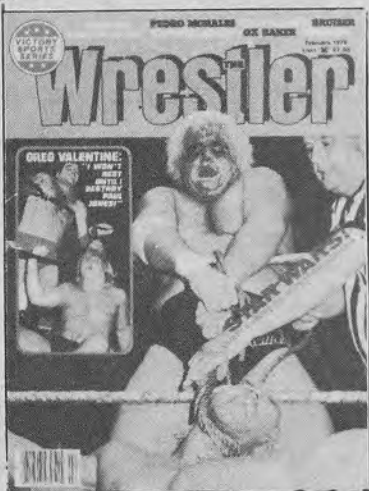

His pursuit of Lou Thesz's record has all my friends

talking about. Only your magazine has the foresight to come up with something like this.

In one of his first Southern title defenses, Wahoo successfully holds onto the title in his match against Killer Karl Kox.

There's a little bit of a dreamer in every professional athlete, the part of him that sustains his courage through the rough times. Wahoo McDaniel is a special type of dreamer. He makes sure his dreams come true!

WAHOO Mc DANIEL'S DREAM COMES TRUE

THE BELT RESTED in his lap. Wahoo McDaniel stroked the bejeweled straps, ran his fingers over the raised lettering which proved the realization of his dream.

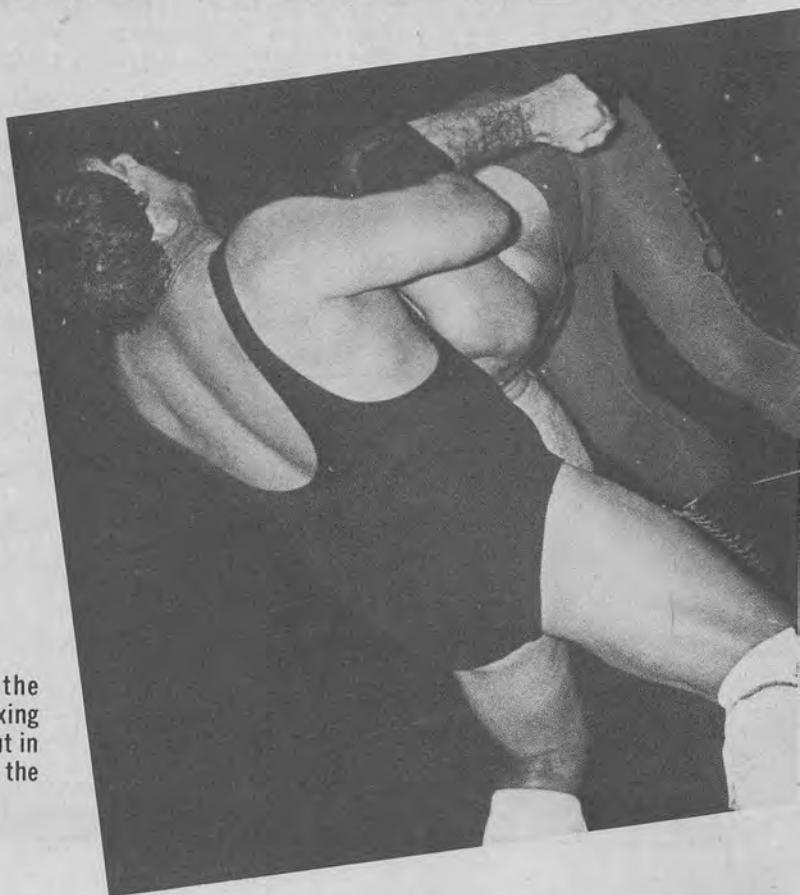

The Southern Heavyweight Championship. And it belonged to Wahoo McDaniel. He finally did it.

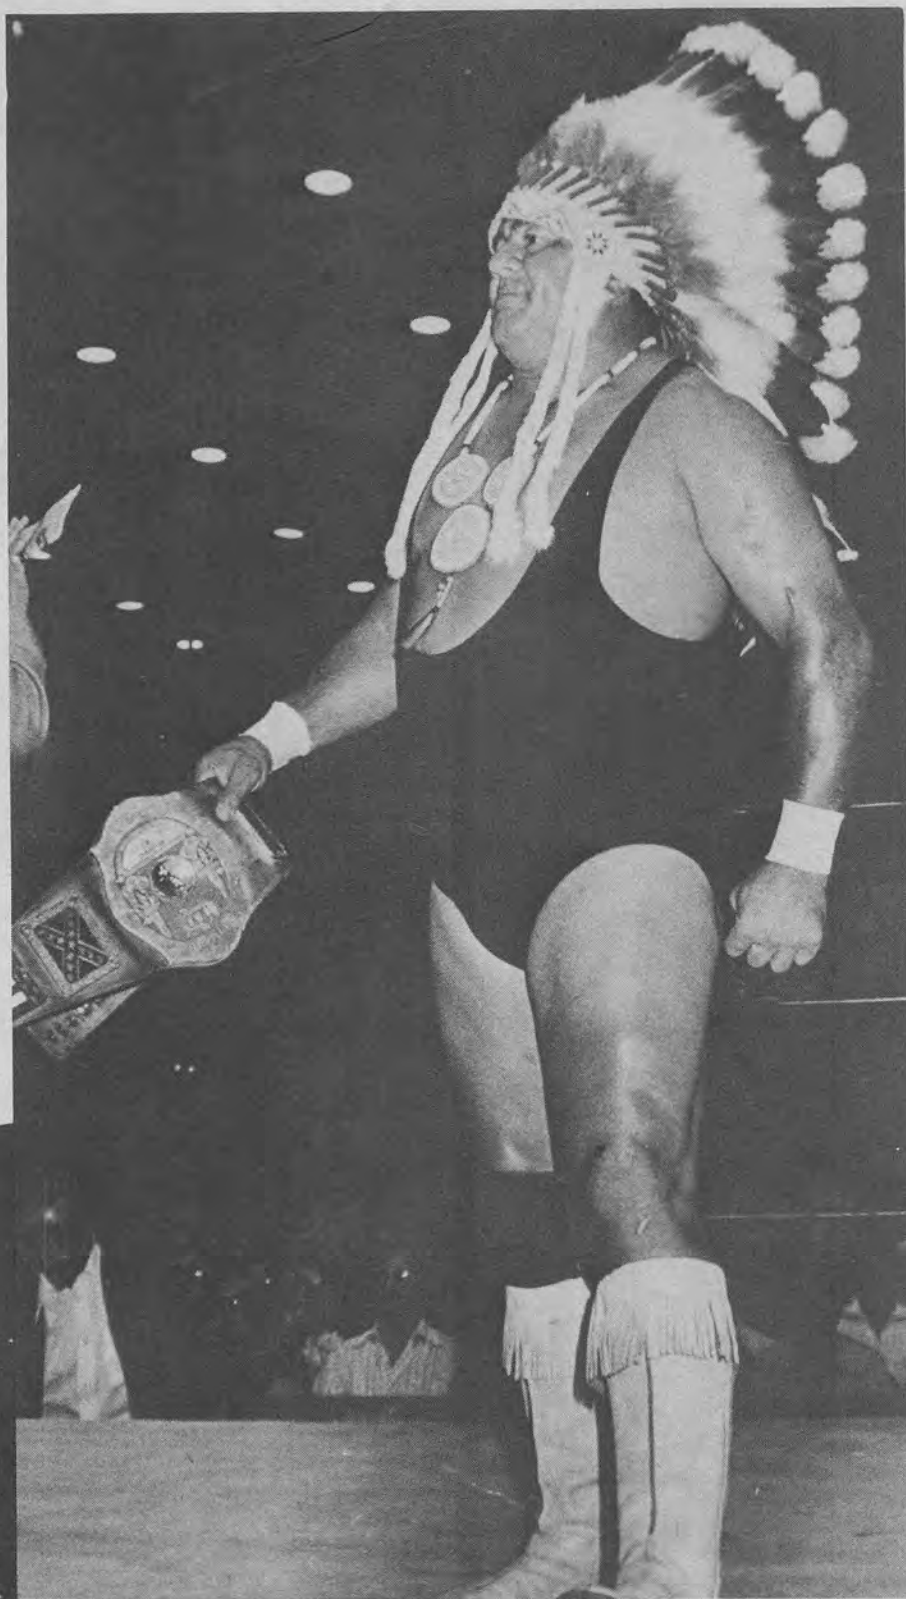

"I've wanted this belt for so long, wow, you don't know how badly I wanted this," McDaniel said. "There were times I thought I'd never get it.

"Even tonight, before the match, I felt good, but not super. There've been nights I've felt better. Goes to show you what that means. I won it anyway."

To fulfill the dream, McDaniel had to tear the title away from Spoiler. It was a difficult task.

Wahoo is in the middle of suplexing Spoiler in the bout in which he won the title.

McDaniel stands tall and proud with the Southern states belt.

PHOTOS BY PAUL BAUMAN

Not only is Spoiler capable of horrible cruelty, but Wahoo has been known to let his temper misdirect a strategy, sometimes, though not often, leading to a crushing defeat.

"I couldn't let him get to me. I had to grow an extra hide and stick to my battle plan," McDaniel said. Spoiler's strategy seemed clear.

Besides using the vicious tactics he has fiendishly mastered, he would launch a barrage of racist remarks at Wahoo.

"It has gotten to me, guys putting down my people. Harley Race is famous for that crap and I knew Spoiler wouldn't be above it. He's not above much. But I was determined not to let it upset me. I wanted the belt. Damn, how I wanted that belt."

Gloriously for Wahoo, results equaled ambition. He defeated Spoiler.

"Once I was able to ignore that first flurry of racial remarks and several of his rulebreaker tactics, I knew I'd be in good shape.

"That was it, getting over the first hump. Now I'm champ. Oh, boy, does that sound good!"

Winning a belt hasn't catapulted Wahoo out of the cesspool of rulebreaker opponents. Killer Karl Kox was his first major test. It was an exam McDaniel passed with blood. His and Kox's.

"It's a lot different when you're champion, not that I'm complaining, mind you. Just people tend to get up a little more when you've got the belt.

"Like Kox. Now I've wrestled that, that, well, I don't know what you call Kox. Anyway, I've wrestled him and while it was rough, it wasn't anything like this.

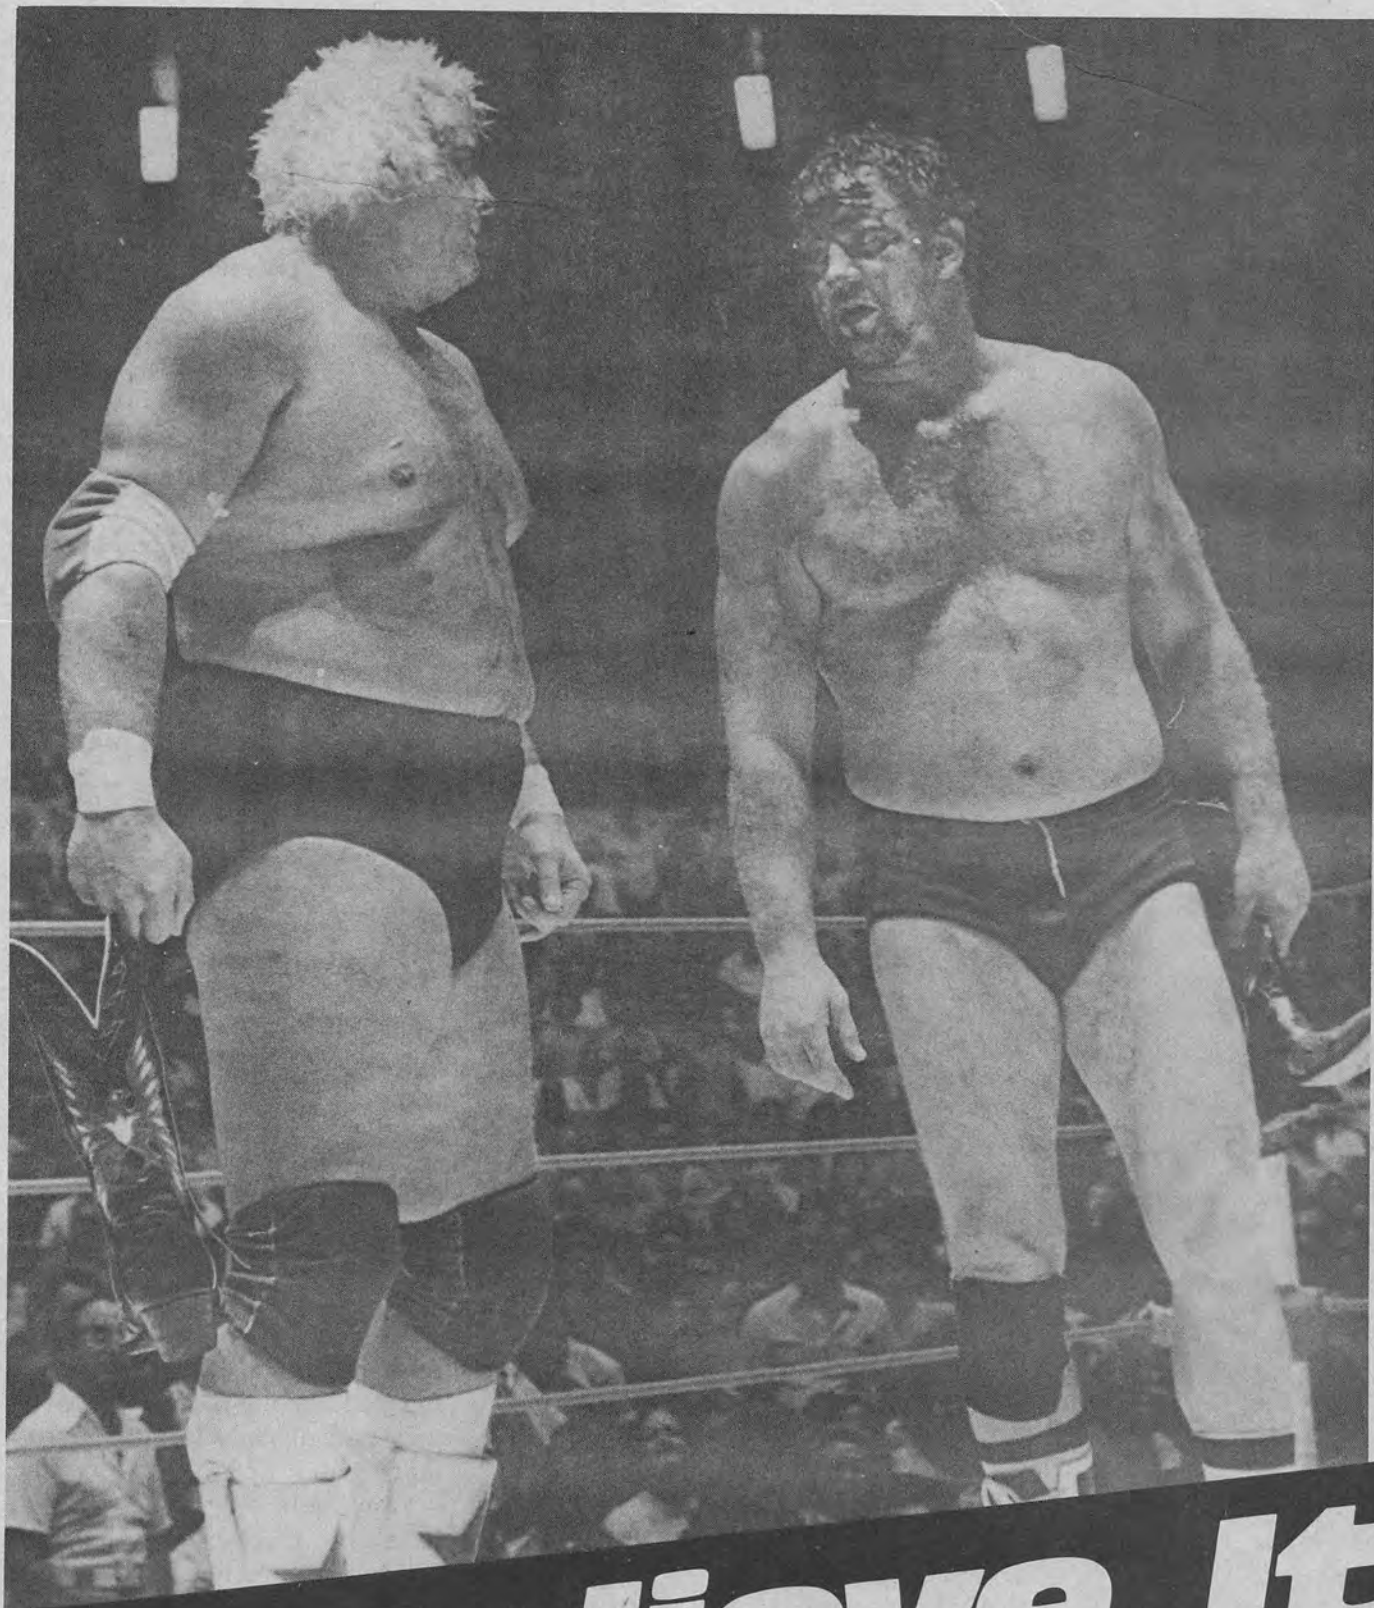

"You can see a little more intensity in someone's eyes when they're targeting your belt between their eyeballs. Kox was pumped up more than if I hadn't been champ.

"But the extra pressure is well worth it," Wahoo grinned. "Even facing a maniac like Kox."

Wahoo resists the lifestyle of an arrogant champion who uses the belt as some oppressive weapon. The adulation and power of a titleholder should be shared with his friends.

"Some champions just want to be champions and use it as a club to beat people over the head with. I want my dream to help others."

(Continued on page 52)

Believe It
DUSTY RHODES
ARE

IT WAS A challenge Dusty Rhodes couldn't refuse, but it meant he would have to make one tough decision.

"I knew I needed a real mean partner, someone tough, not afraid to brawl, but basically a scientific wrestler. Now, friends, you all know who that dude happens to be.

"But I didn't think I could do it. Not after all the brawls we've had."

That "dude" was Terry Funk. The "challenge" was issued by the Spoilers, who dared Dusty to find a partner and wrestle them.

"They called me every bad name under the sun and I don't take kindly to names like that," Dusty said. "So I knew who I had to call on. And believe me, I was surprised at his response."

"I get this call one afternoon and the absolute last voice I expected on the other side of the line was Dusty Rhodes," Terry recalled laughingly. "Our bouts are famous for their violence.

"And I didn't think we were ever friends. I didn't think we

could ever wrestle as a team. But Dusty was kinda persuasive. Besides, I hate the Spoiler."

So out of necessity, wrestling's most impassioned

If you can count on one thing in wrestling, it's the sport's unpredictability. People who once said, "Dusty Rhodes and Terry Funk will form a tag team when Hell freezes over" are now planning to be buried in overcoats!

rivals forged a tag team.

"Of all the opponents I've ever faced, Terry Funk is the toughest, far and away the one guy who has pushed me to the brink on more than one

occasion," Dusty has often said.

But could these two rivals work together? When Terry held the NWA belt, his fiercest challenger was Rhodes. Sure, their bouts were brutal, but wrestlers can have bouts without disliking their opponents. Not so with these two men.

"I hate that Rhodes," Funk said after one especially savage match.

"They oughta form a posse and take the belt from that worthless coward," Dusty had said.

This match contained more than the usual interest for the wrestling community. It was a test of character. It would prove whether Dusty Rhodes and Terry Funk were larger than their mutual contempt.

A partnership between two men with a common dislike is a precarious relationship. Especially when one brief hesitation could lead to disaster for a suddenly battered partner.

Two moments during the match illustrate the nature of

this unusual tag team.

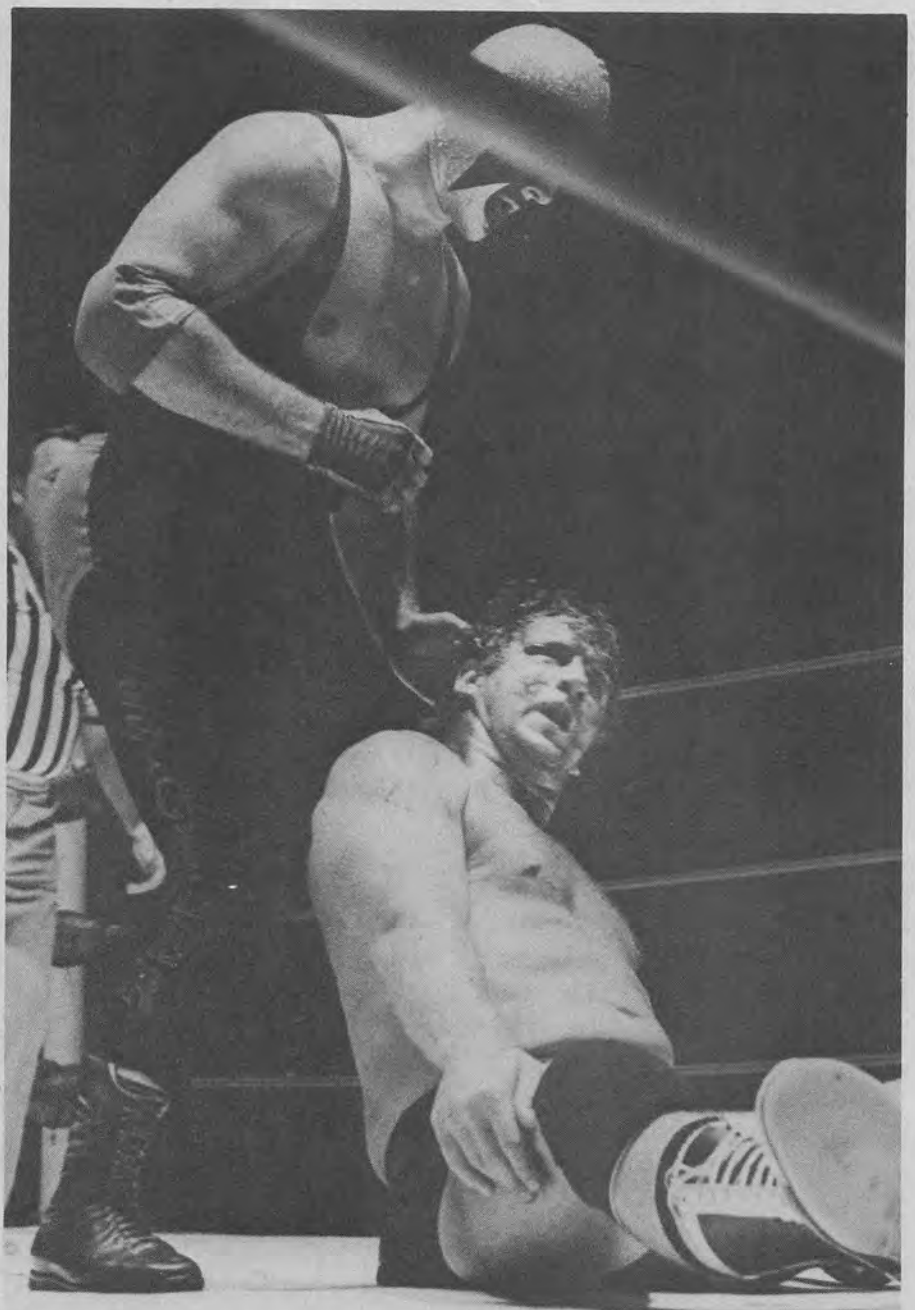

Dusty was grappling with Spoiler II when Spoiler I leaped into the fracas. Dusty caught the attention of the referee and Spoiler was forced back out of the ring. But Dusty had suffered a beating. He needed rest. He reached his hand out to Terry.

Funk looked at it, paused then tagged Dusty and replaced him.

"I didn't hesitate," Funk insisted later.

And later in the match, almost an exact replica of that incident, this time with Terry the victim of a Spoiler twin-mugging. And Terry reached out his hand for help. And Dusty deliberated. Finally, he helped his partner.

Their hesitance is explainable. They would not desert a

partner, essentially because that runs counter to their inherently decent nature.

But neither could they ignore the dislike aroused by the sight of their "partner." Thus, for this night, at least, they were willing to put aside differences for a common cause, the destruction of the Spoilers.

The tension remains and neither man will discount it.

"Rhodes isn't a bad partner,"

Terry said. "He's kinda slow and he hasn't really developed a killer maneuver. The bionic elbow isn't impressive."

"It's not easy being the guy to carry the team," Rhodes sneered. "He's not even close to being the wrestler he once was, and he wasn't much then."

The feeling persists that next time they occupy the same ring, it will be as opponents, not partners. □

Billy Robinson and Pat Patterson are just about as different as two wrestlers can be. Yet, they share a common goal. One of them might make it. But he'll have to do it over the other's unconscious body!

TWO ENEMIES.

SAME TARGET

THEIR METHODS ARE very different, but the target is the same. Nick Bockwinkle's AWA title is all they really desire.

That is the tragedy. Neither Billy Robinson or Pat Patterson should have to wrestle each other. They should be beyond that. They should be free to attack Bockwinkle's belt with individual fervor, instead of receiving and

inflicting pain.

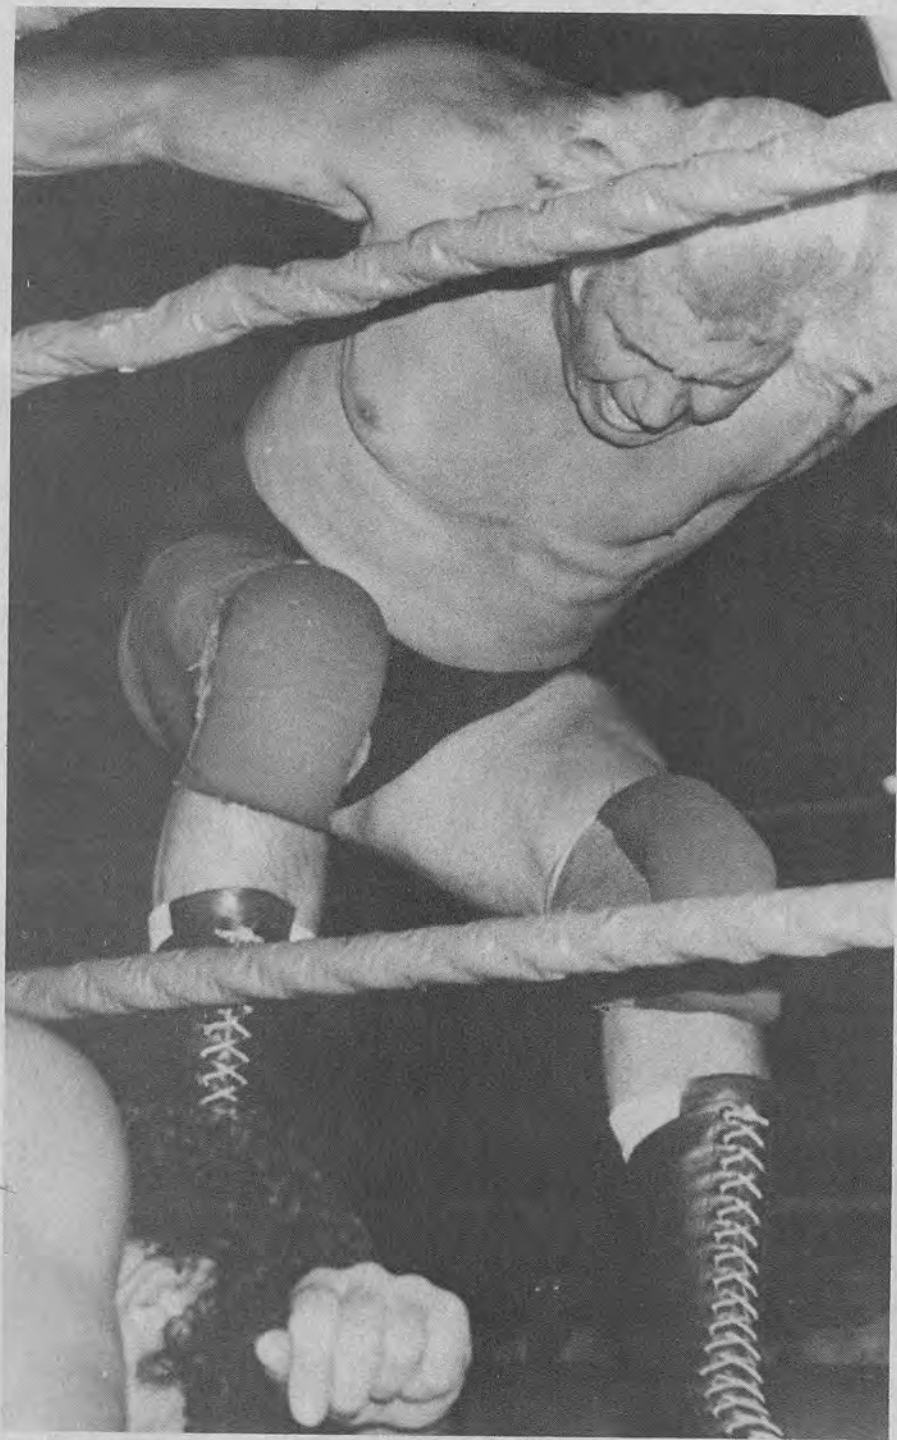

It is sad. However, that is a detached view. Both Robinson and Patterson regard each other with contempt. Though they would prefer to wrestle Bockwinkle, neither is about to refuse a match against the other.

"I always considered that limey creep my enemy," Patterson said, a vicious edge to his gruff voice.

"Some matches give you special pleasure because your opponent is some low-life squid. That's how I feel about wrestling Robinson.

"I think it's my patriotic duty to rid professional wrestling of foreign invaders. Guy doesn't even talk right. Lane." Patterson shook his head and walked away.

protection against the insults of rulebreakers. Sometimes a tension pulls at his lips and the eyes narrow with growing anger.

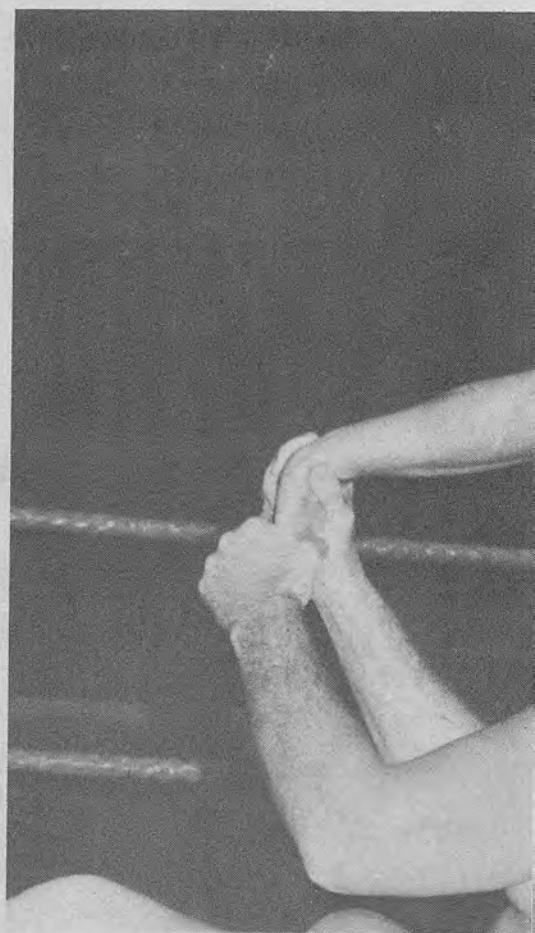

"After listening to prejudiced, hateful men like Pat Patterson, you develop something of an immunity and learn to dismiss them.

"Still, a sting is always there. No one likes to be called names. At

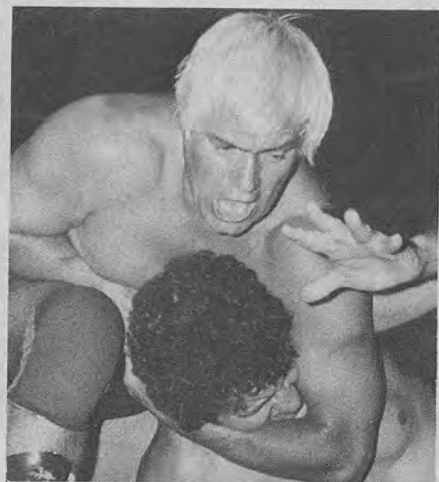

least if they came from someone with a mind or a heart, you could tolerate it. But to be insulted by some cactus plant like Pat Patterson is a bit too much.

"It makes wrestling him all the more enjoyable."

Good guy versus bad guy matches are generally savage. The brutality of this match was

amplified by their extreme hatred producing shocking cruelty by Patterson and vigorous scientific wrestling by Robinson.

"Notice the way he kinda dances around," Patterson said as he pantomimed a sauntering strut. "That's the way Robinson wrestles. Ain't natural. A wrestler is supposed to wrestle, not twist like

some God forsaken cobra."

"Growing up, I had my idols," Robinson said. "I knew that villains were part of the sport, as they are in our societies. But I was never aware how horrid they were and what blight they visited upon professional wrestling until I encountered that fiend Patterson."

But what does Robinson and

Patterson wrestling each other prove? Certainly it nourishes their insatiable hate. Yet hate is an insubstantial meal, momentarily satisfying. Their whirlpool of ambition requires a banquet of professional gluttony. The feast is Nick Bockwinkle under glass. And the glorious desert is the sweet-tasting AWA belt.

Title shots against Bockwinkle must be given to Robinson and Patterson. That is what they must have to be satisfied. With characteristic honesty, Robinson admits that.

"Once the initial irritation fades, Patterson is not exactly an obsession with me. Oh sure, right before the match, during and shortly afterwards I can think of nothing but his ugly face. But I know that as sweet as revenge may be, it has a sour foundation.

"Something like the AWA belt, ah, now there's something I can sink my teeth into and feel fine about. Patterson, you know, a worm is a worm is a worm."

Collecting torn pieces of human skin seems to be a hobby to Patterson, and this match with Robinson added to his vile collection.

"Whipping good guys is my job. Why wouldn't I want to smash his face? You nice coyotes can't realize how I can re-arrange his arteries and still chase Bockwinkle. Maybe the good guys can't understand 'cause their brains are too small for one thought at a time."

And what about Nick Bockwinkle? He wishes both these dogged contenders luck—in killing each other. □

ALL STAN HANSEN had to do was pay the fine. Five thousand bucks. Surely Hansen could have raised five thousand dollars. He could have hocked a tattoo. Or read a story to a rich mute person. Five thousand dollars and all the treachery would have been avoided.

"I think Hansen was just waiting for an excuse so he could turn on his friends," snapped Mr. Wrestling II. "He'll never change. For him to do what he did to Tommy Rich was unforgivable. Let him try and sell that bill of goods again and give us garbage about him turning good guy. He'll get a pile of grits shoved up his nose."

What brought about this sordid tale was an unruly brawl between Hansen and a notorious rulebreaker. Their aroused tempers carried them beyond the pliable boundaries of wrestling, and for these transgressions were fined five thousand dollars. The rulebreaker paid the fine. Hansen refused.

"I didn't do nothin' wrong," the master of the Lariat hold fumed. "He started it and I'm being punished the same. Isn't right and I ain't gonna pay the bucks."

Initially, the announcement of the fine was accompanied by word that failure to pay the fine within 30 days would result in suspension from Georgia wrestling arenas.

Hansen was adamant and continued to wrestle as a good guy. Then the 30 days began dwindling. To 25 days. To 21 days. At that point, the drama took a sickening twist.

"I'm willing to pay his fine for him. All he gotta do is one little favor and we're even," Ole Anderson promised on television. "Just one little favor."

A little favor. Much in the

same manner in which the Devil asks for a little trinket called a soul before granting a wish. Hansen possessed enough sense to refuse this "generous" offer.

Then final notices were issued by the Georgia authorities. Within two weeks, the fine had to be paid or Hansen would be barred from the state. This stern declaration weakened Hansen's

BRUISER THE MISSOURI STATE FROM DICK

THICK GREY SMOKE, the smell of stale beer, and peanut shells tossed through the air formed a raucous shawl about Bruiser's head. Impassioned howls, from the jukebox and his celebrating friends, cut through the air.

It was a party. Now, Bruiser and his comrades don't exactly need an excuse to toss a party. They have been known to toast the birthdays of hunchbacked Swedish princes.

But this noisy affair has a solid foundation. It honors a man the "experts" insisted would never win another major belt. It praises a man the "experts" contended was no longer a realistic challenger for the NWA title.

Guess who that man is? Give you a clue. He has just captured the Missouri State title from Dick Murdoch, traditionally a catapult for future NWA champions.

Give up?

"That's life, that's what all the

people say," the jukebox blarred.

Bruiser flung a thick hand toward the record playing machine.

"My man, Frank, he's singing my song," Bruiser cackled loudly. "They said Bruiser wouldn't do it. They made an awful mistake."

"Bruiser is goin' to topple Harley Race," a loud roar erupted from the weaving semi-circle in back of Bruiser's chair, "and send him back to hawkin' hogs, a good job for someone like Race."

"I'm gonna be champ. You can bet on it," agreed Bruiser.

Bruiser is one of those wrestlers who defies accurate

capsulization. Many nicknames have been coined for him, notably "One Man Riot Squad," a phrase which only hints of the man.

Take ratings, for example. Bruiser is famous for traveling up and down the ratings ladder.

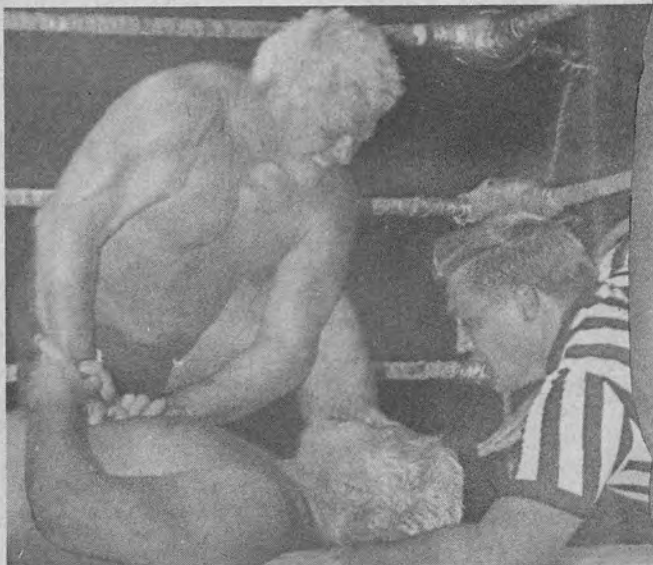

"I never paid them much mind. Seemed just a fool excuse for a bunch of bored intellectuals. I got better things to do than bother with who's number two or three. Bunch of pansy college boys must make 'em up."

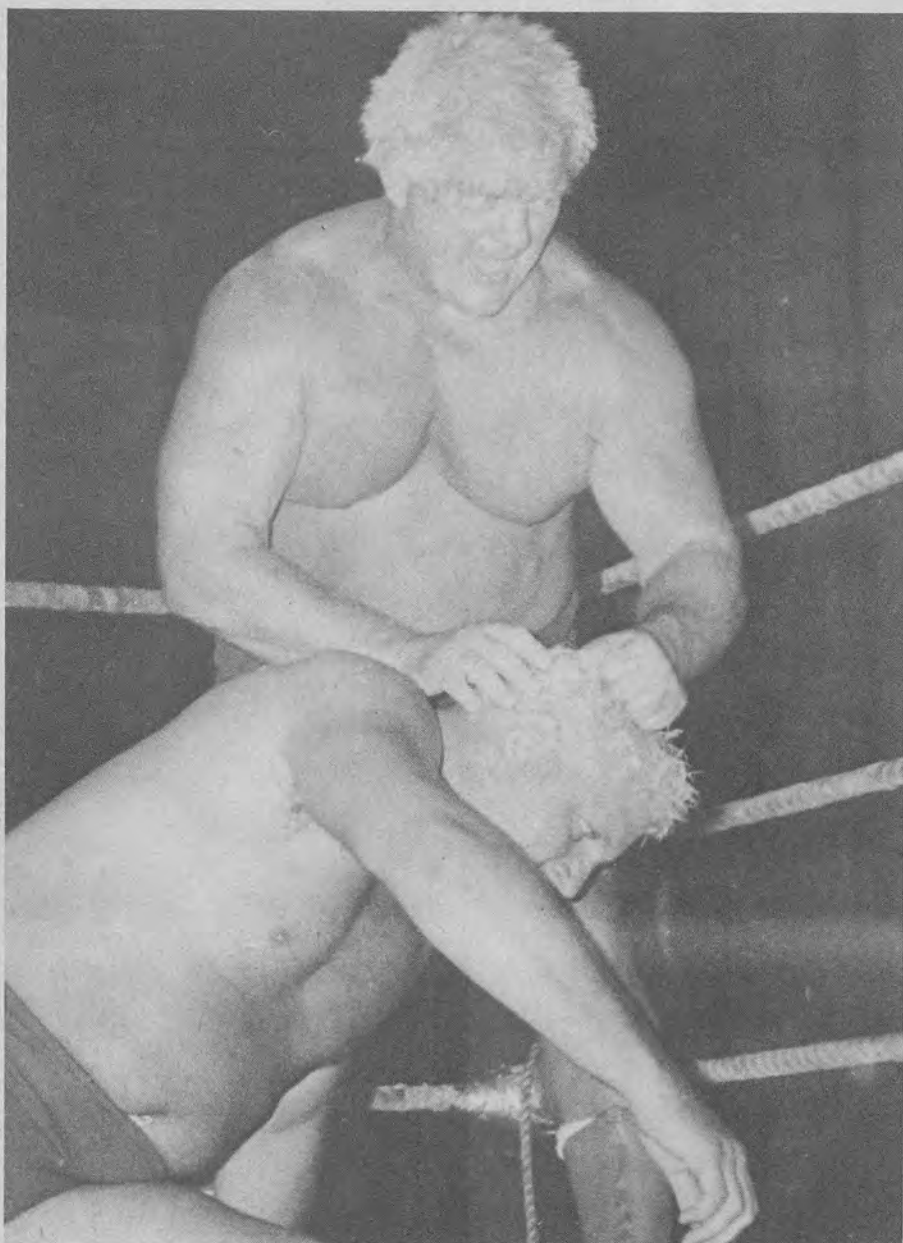

"I go out and do what I gotta do. So. What's the big deal. Writers ain't got nothin' better to do with their lives 'cept get their hands dirty with their

For years, fans have thought of Bruiser as somehow apart from the struggle for NWA championships. Yet, he's now captured the Missouri state title, which is often the stepping stone to the NWA belt. What's next?

typewriters. You can bet that's the only time they ever dirty their white hands."

In and out of the ring, Bruiser's life has the smoothness of broken glass. Consistent with this rough lifestyle was the way he won the title.

Bam went Murdoch's head. Crash went Murdoch's arm. Roar went Bruiser's fans when he pummeled Murdoch about the forehead.

And then the final eruption of joy.

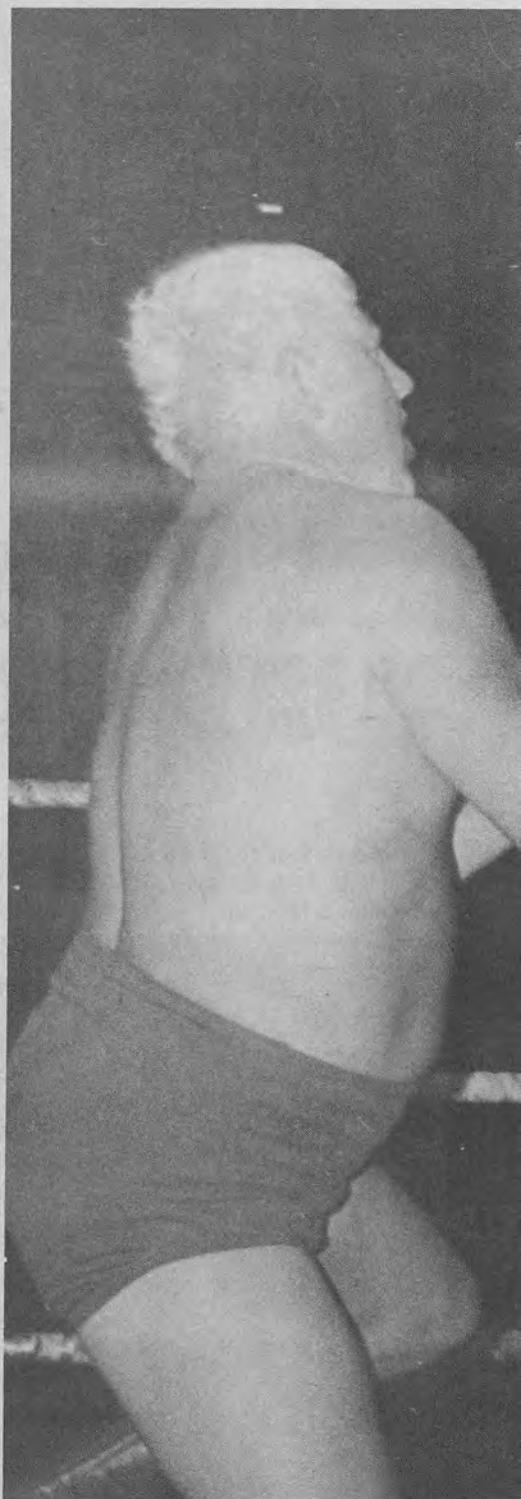

"The winner . . ." the announcement was drowned out by an hysterical bombardment of cheers.

It was the fans tribute to a great man.

"Sure it got to me, I ain't ashamed of admitting a little tug in my throat when my army stood and showed how much they loved me," Bruiser said.

"And I think I rewarded them

with my victory. They've been a patient bunch to suffer through all the crapola we've had to swallow over the years.

"Lousy upper-class snobs dumping on us 'cause we ain't got the King's manners and like an occasional beer or six and like to drive a pickup and talk on the CB.

"So me and mine have had to take a lot of guff from these

creeps.

"If'n someone else had won the Missouri state title, everyone would be predicting he'd win Race's belt. Tradition, all that. But since Bruiser's won it, people ain't gonna move so quick. People might just talk about how it's time to change tradition

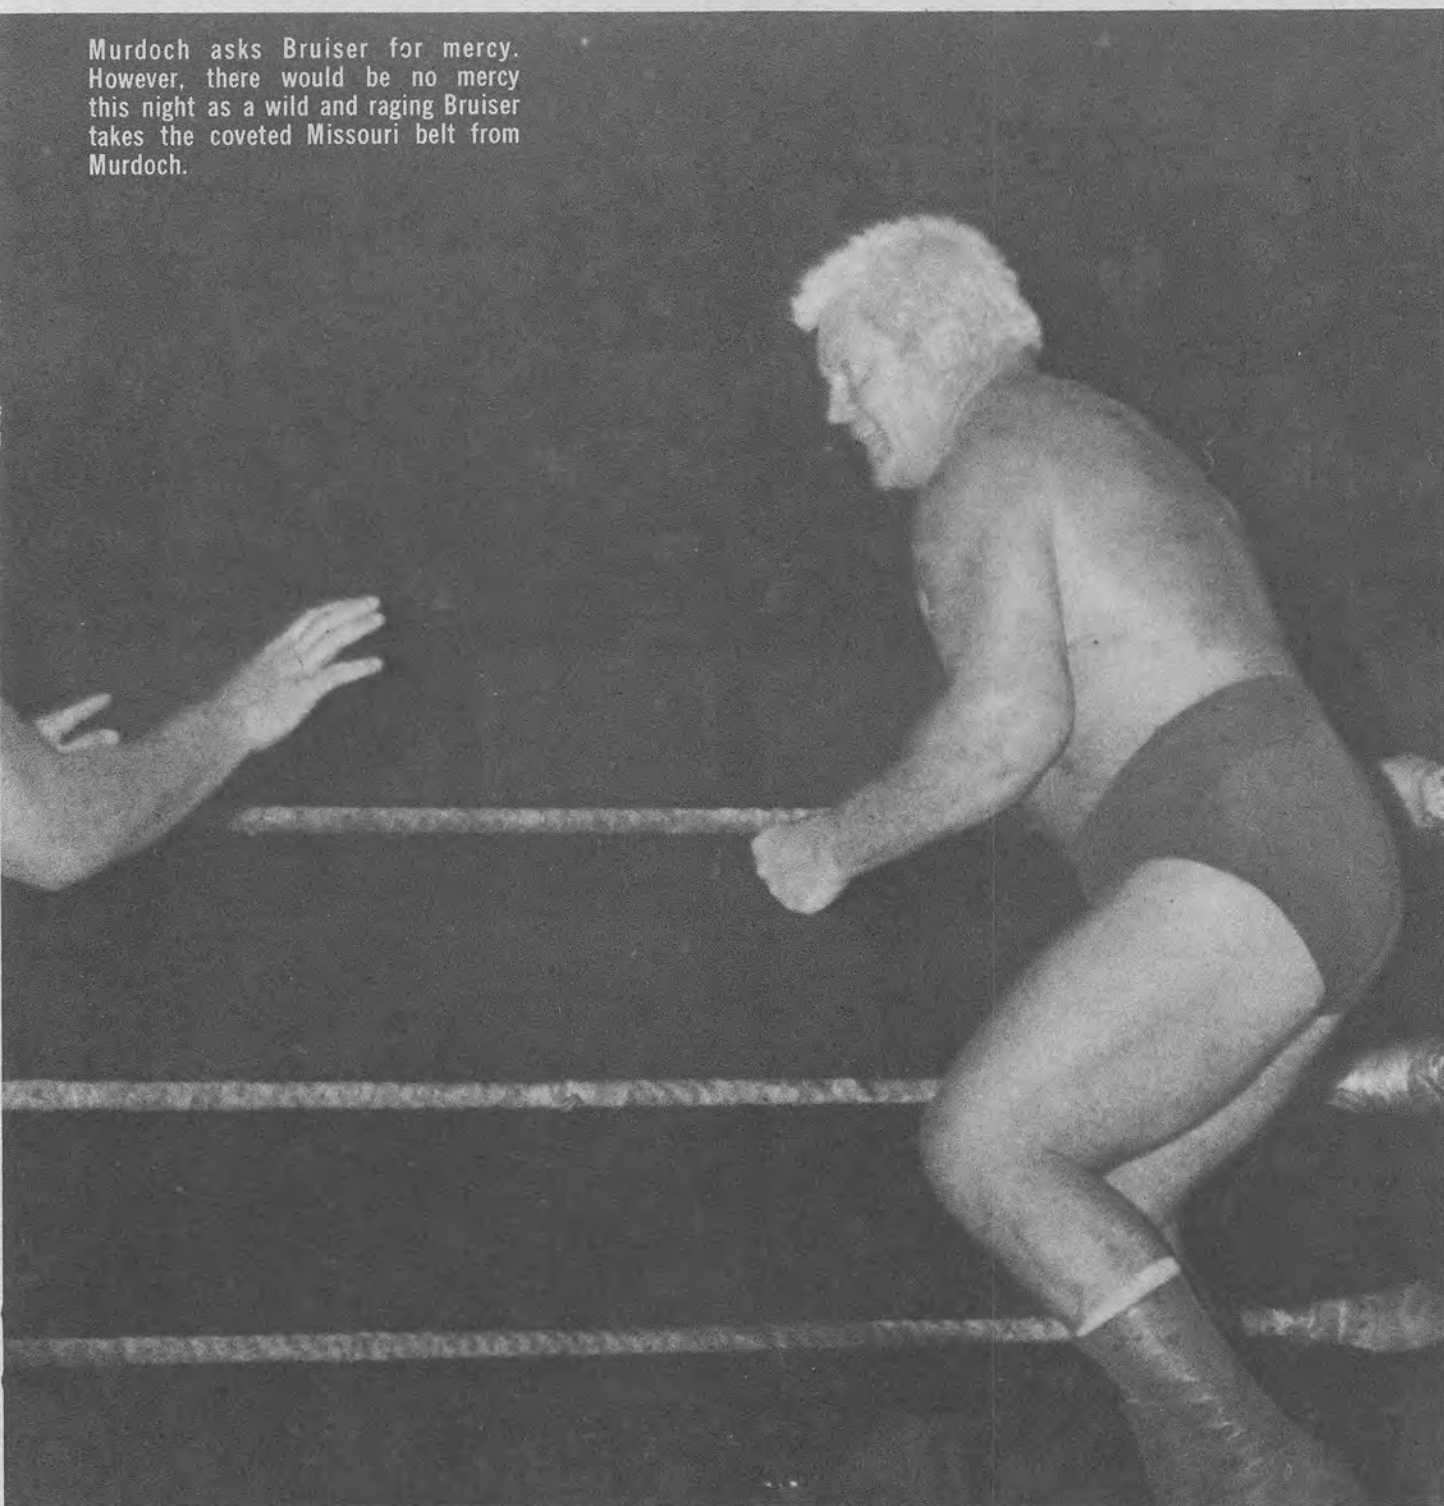

"That'd be a strange coincidence, huh? Ain't gonna

let it happen. I won this belt and now I'm gonna whistle right on down and find Harley Race and challenge him. And then Bruiser's gonna have himself a real party."

A table splintered into an ocean of spilled beer and cigar ashes, followed by a thud as the jukebox fell and a fist hit flesh.

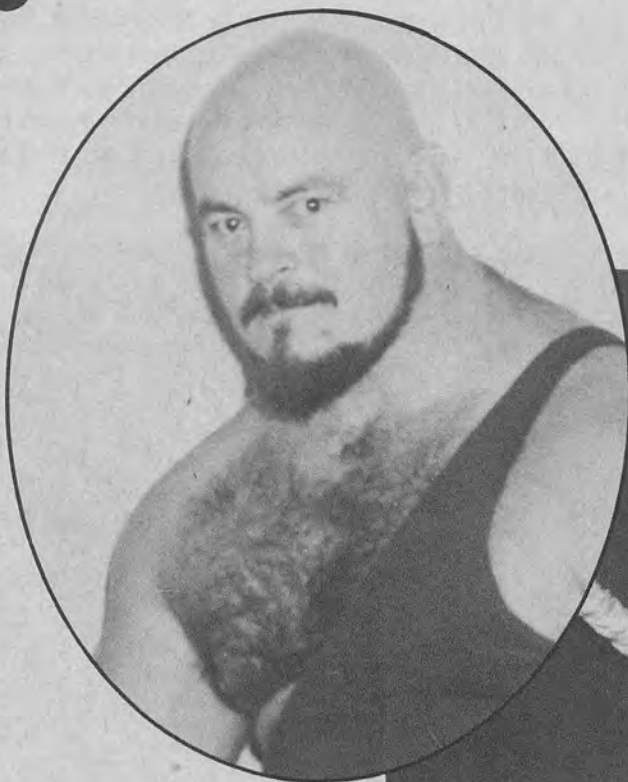

Bruiser chuckled and sipped some beer. □

Murdoch asks Bruiser for mercy. However, there would be no mercy this night as a wild and raging Bruiser takes the coveted Missouri belt from Murdoch.

IVAN KOLOFF:

"I MADE CRY L

Ivan Koloff and Bob Backlund mix it up in a corner (right). Bob appears to be getting the worse of this exchange. He would soon take control.

ONLY A DEPRAVED beast like Ivan Koloff could find pleasure in such an ugly incident.

"I made Bob Backlund cry like a baby. And that makes me very proud," Koloff laughed loudly.

A lake of dried blood clung to Koloff's hand. He examined it, sniffed and laughed harshly.

"That is not my blood. You see," Koloff held up his hand, "my blood is dark red. Real Russian blood.

"This blood has little yellow flecks. See? Little yellow pieces that only a coward has." Koloff brandished the scarlet stain.

This patch of blood was a reminder of the evening's savagery. It was Ivan Koloff against WWF champion Bob Backlund at Madison Square Garden. A frenetic, hysterical crowd had eagerly awaited this match. The

BOB BACKLUND LIKE A BABY!"

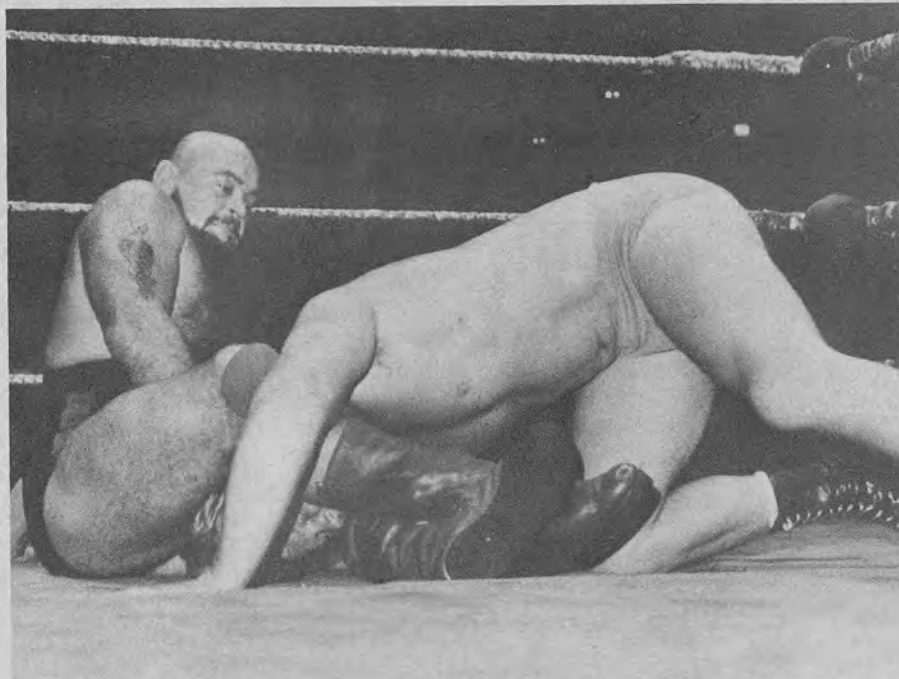

entire evening was a prelude to this meeting.

"I wanted this match for a long time and then I am deprived of the title by Backlund's cowardice," Koloff roared. "It was only through his whining efforts that the match was stopped. It should not have been stopped. I won. But I was cheated."

Certain "facts" which Koloff claims are true are nothing more than lies. Backlund never asked the referee to stop the match because

of excessive bleeding. The reverse is true. Backlund begged the referee to let the match continue. But it was obvious that Backlund's physical condition was dreadful. Any competent official could see the champion couldn't continue.

"I should not be robbed because my opponent was not man enough to survive a beating. If he could not manage to stay on his feet, he should have given the belt up. I am champion now."

For nearly half an hour after the match, Backlund's dressing room was sealed. Finally the champion emerged, a slightly glazed look on the handsome face.

"I was bleeding, yes. But who wouldn't have bled after a night with that beast. Foreign objects from a foreign devil. He should have been disqualified."

Backlund's allegation is well taken. As soon as the match began, Koloff unleashed a fiendishly illegal attack. He charged Backlund with a gleaming metal object, then tore his knee into Bob's groin.

"He should have been bounced right there," Backlund said.

Backlund reeled off the ropes, tottered momentarily, then regained his composure and entwined Koloff in an excruciating

hold.

"He dug his nails into my eyeballs. I thought I went blind," Koloff snorted derisively.

A textbook could have been written based on this match. Backlund demonstrated his characteristic poise and decency while adhering to the scientific style of wrestling. Koloff was typically brutish, typically vicious.

There was no real indication that the match would become bloody. Suddenly, it happened.

"I swear it was a knife that he dug into my head," Backlund insisted vehemently. "He should have been disqualified.

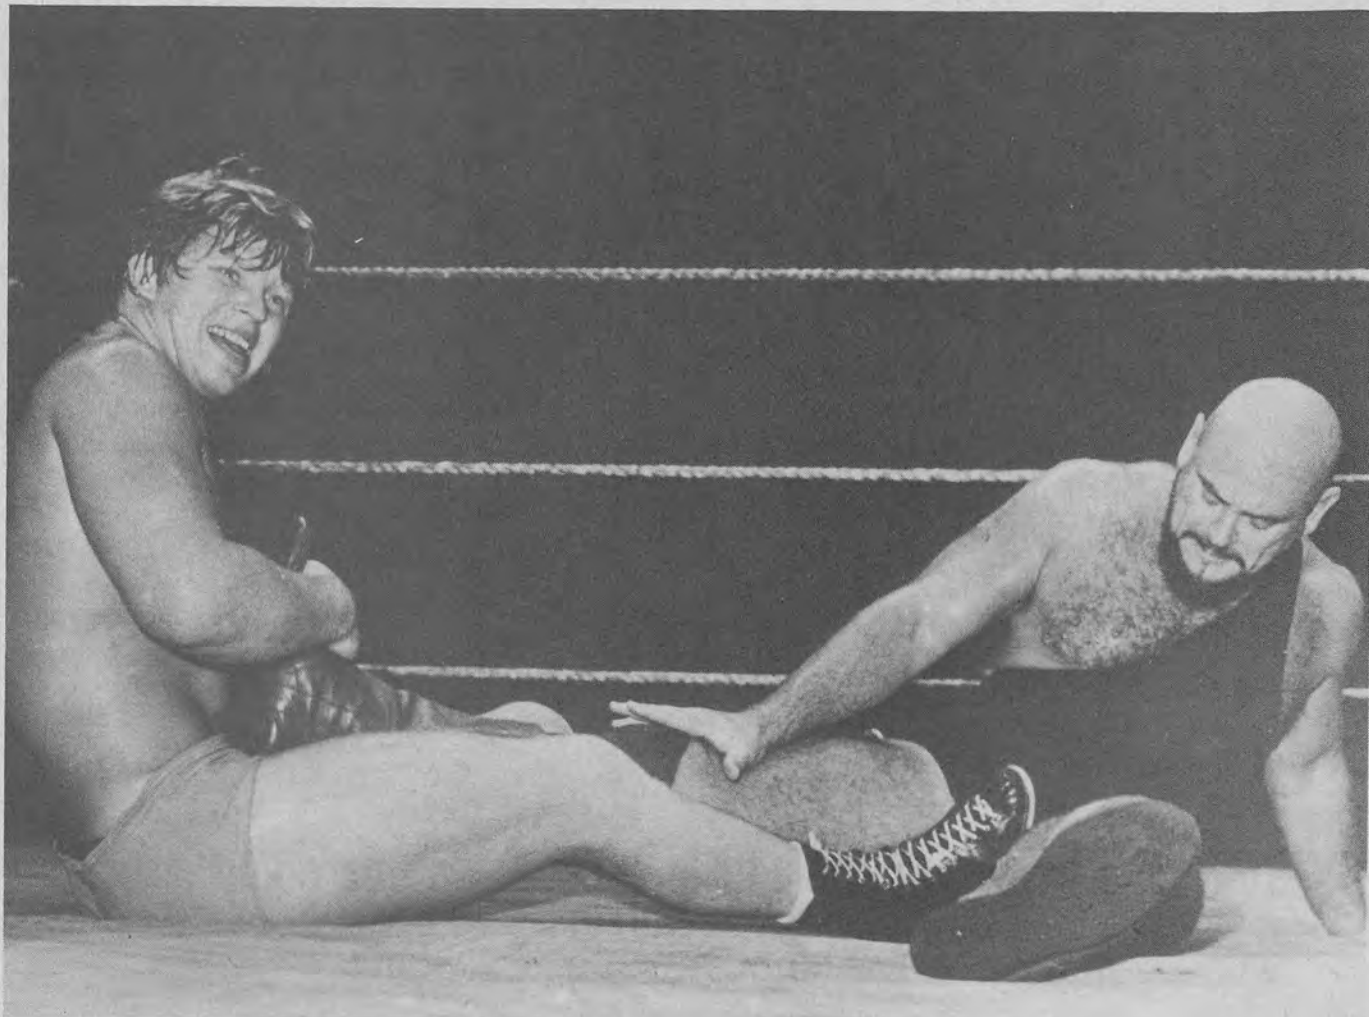

"Sure they had to stop the match 'cause I was bleeding heavily. But it wasn't as if I had been beaten fairly. Koloff doesn't know the meaning of that word.

"He used illegal tactics and he shouldn't have won the match. You see how well I handled him when

things were somewhat in control. As soon as he started with that dangerous stuff, well, I sure

Above: Backlund continues to apply pressure to the toe hold. Bob was forced to break the hold when Koloff slid underneath the ropes. Below: Ivan is confused and in pain from a Backlund leg stretcher. Koloff's claim that he made Bob cry in fear was certainly not true. The WWWF king battled bravely.

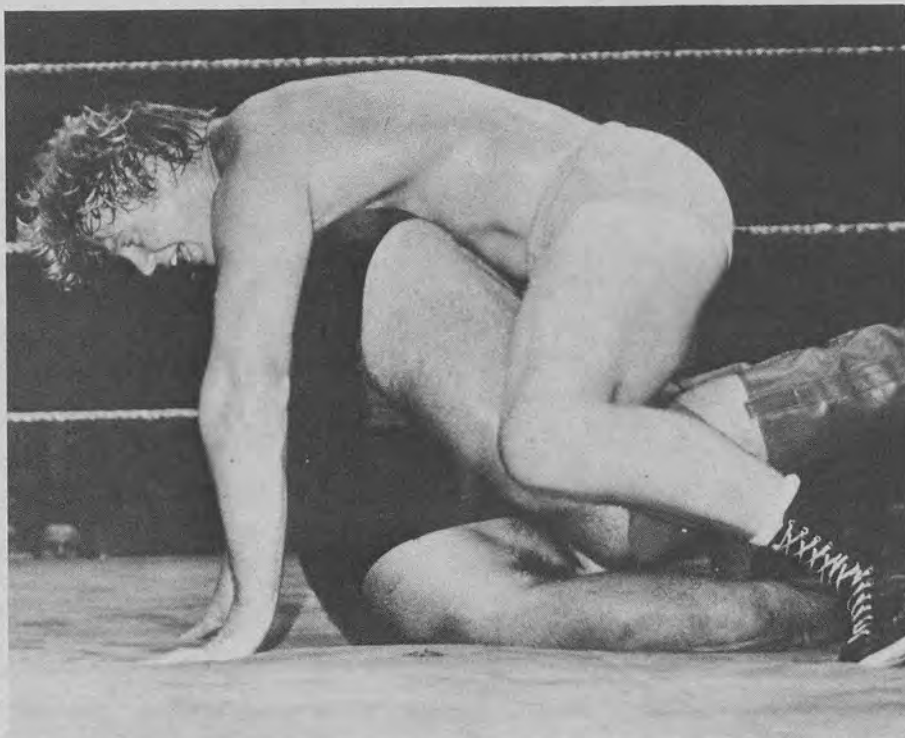

wouldn't stoop to his level.

"My fans expect more of me. And I expect more of myself."

WWWF rules are explicit on this matter. Should one wrestler become physically impaired, the match must end. In the event of a

title match, the belt does not change hands.

Now some champions, notably Nick Bockwinkel, elude defeat by running out of the ring and getting themselves disqualified. There has been sentiment in recent years to

Early in the match, Backlund catches Koloff coming off the ropes and tries for a quick pin via the sunset cradle (above). Koloff kicked out before the referee could count "two."

change this rule and stop tactics like that.

Bleeding profusely from the forehead is quite different. We're talking about blood now, not some coward leaping over the top rope. Backlund was hurt. He didn't run. He just couldn't continue the match.

"I saw Backlund's condition and knew he couldn't go on," said the referee. "This is a sport, not the Roman Coliseum. We don't want anyone dying out there. Things get brutal enough."

Boiling away the top layer of confusion reveals a thin layer, black, viscous. It is composed of Koloff's concept of what a wrestler should be. Fortunately for the sport, it is not shared by the authorities.

"A champion is a man willing to perish for his belt," Koloff claims. "A title is an honored thing and you should be carried out of the ring before you give it up."

"I do not wrestle for pleasure. Backlund was beaten. He did not act like a champion. I did. I won." □

An avalanche of obscenities erupt from this mouth, then vanish, and a coherent statement is attempted. Without success.

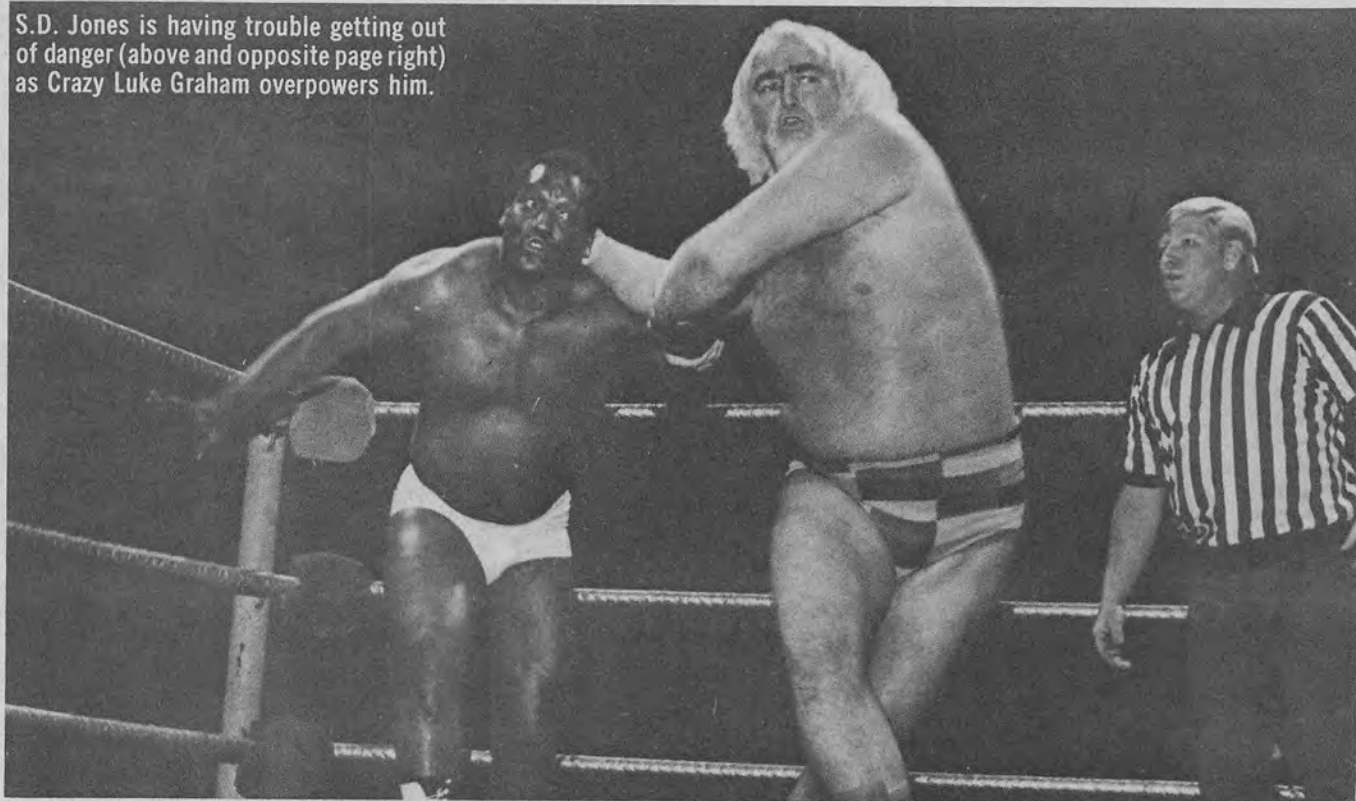

This man can no longer control

himself. He is barely aware of his opponent, barely aware of where he is.

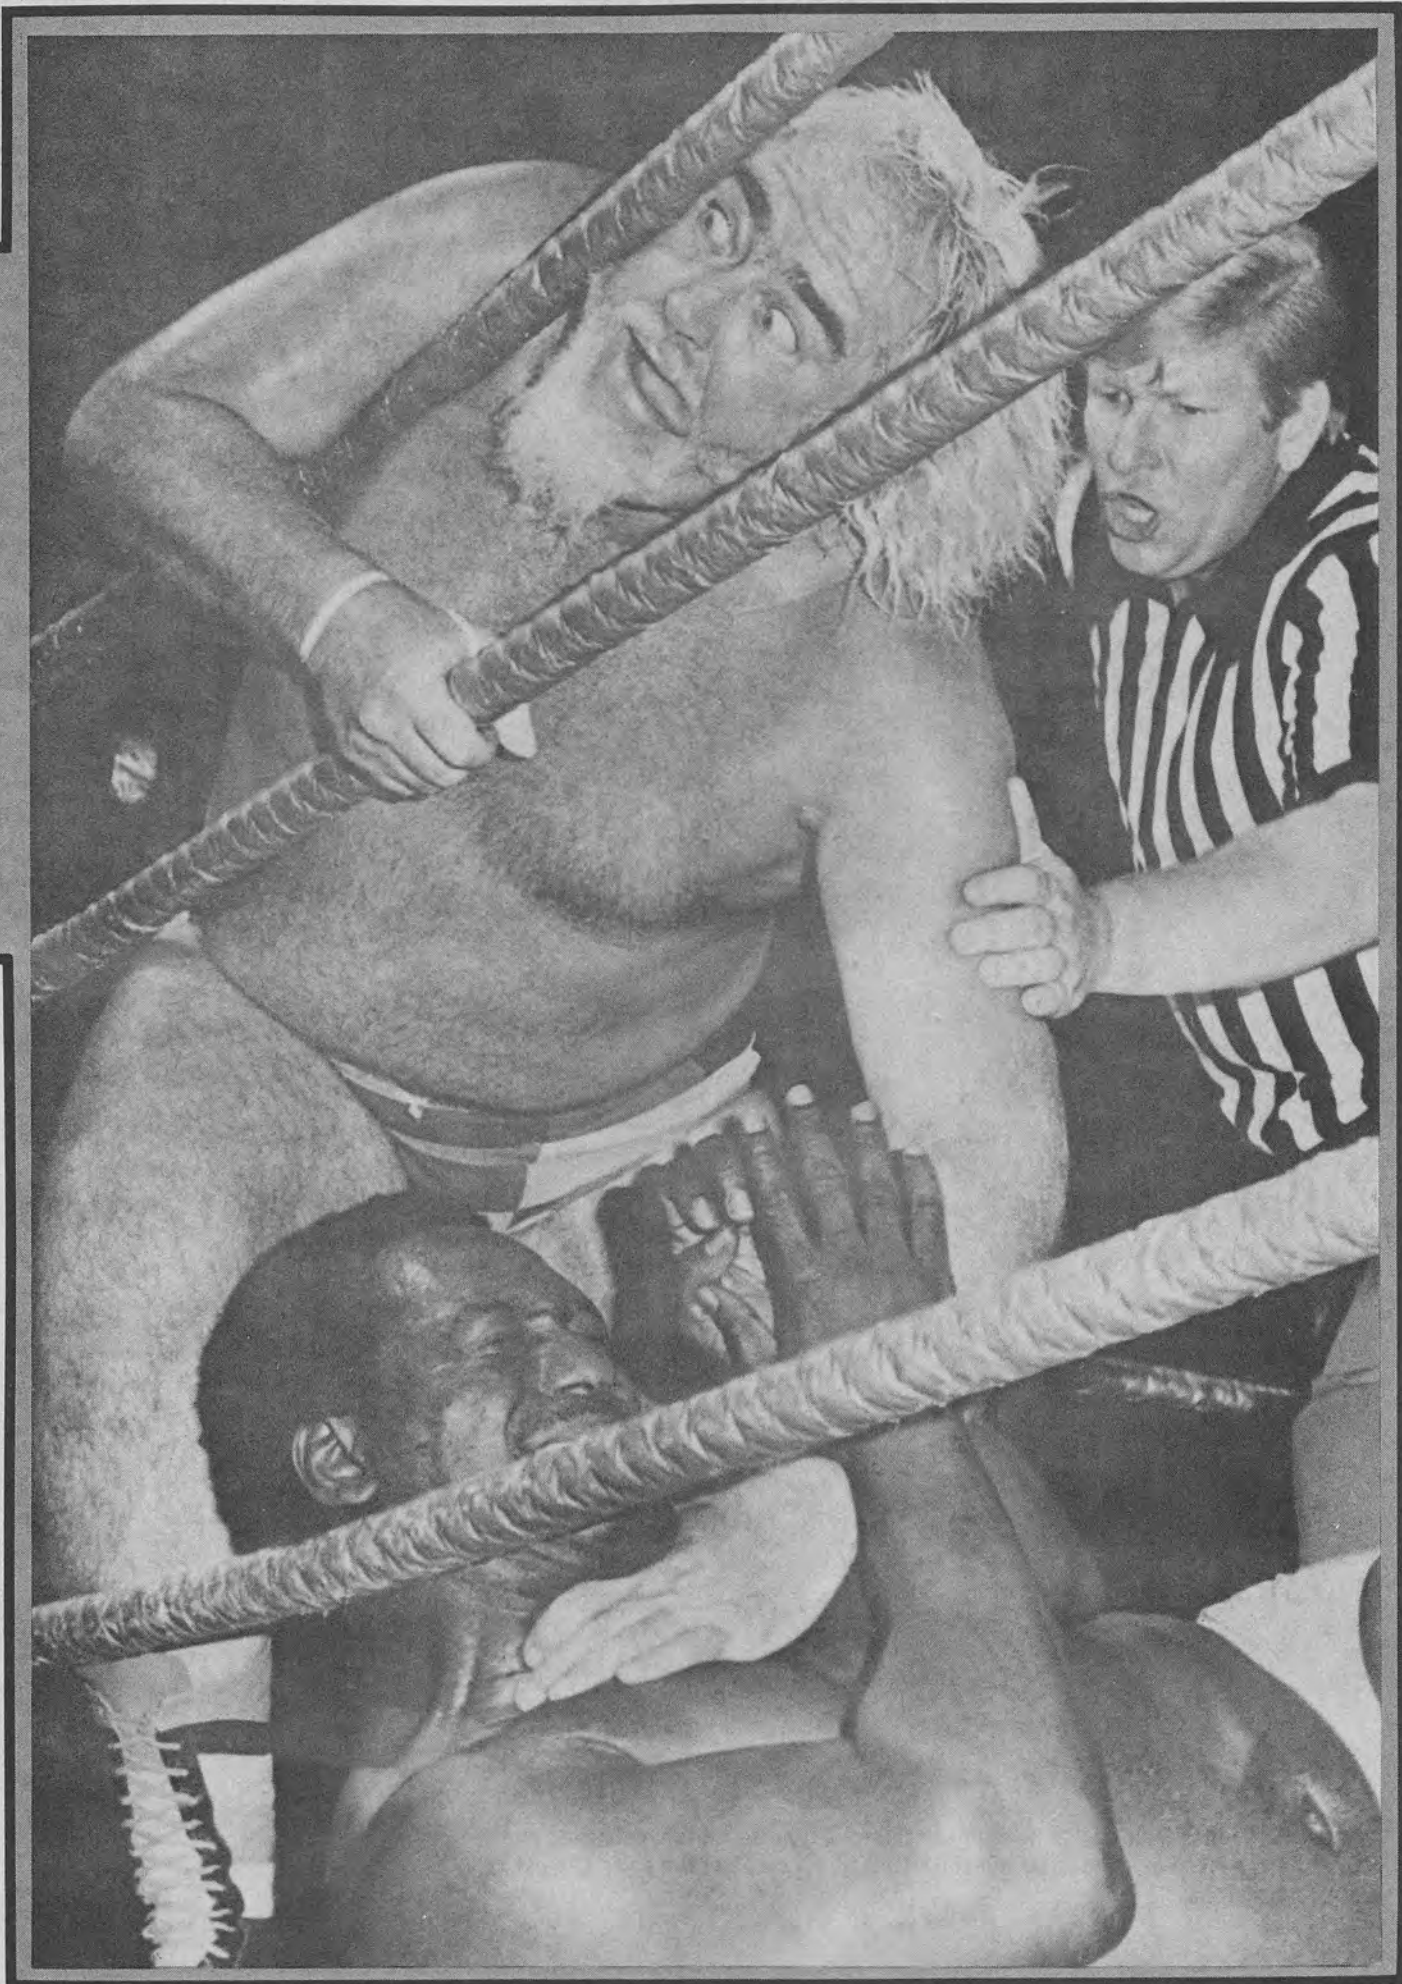

He is Luke Graham. He is losing his mind.

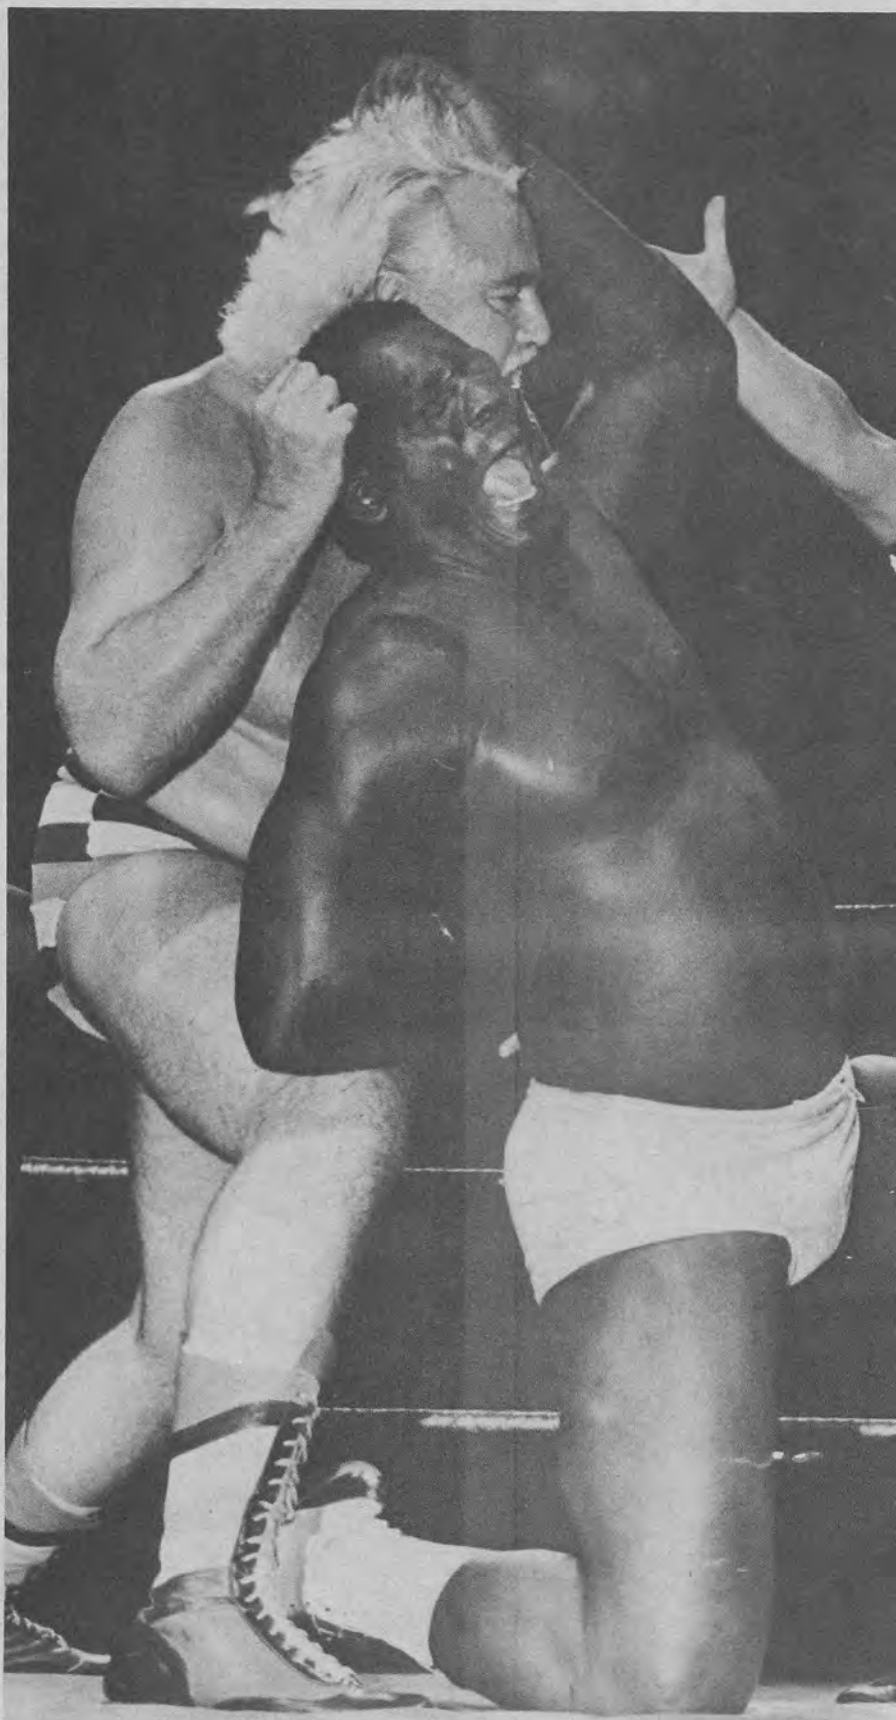

HOW CRAZY LUKE IS LOSING THE BIGGEST BATTLE OF HIS LIFE

S.D. Jones is having trouble getting out of danger (above and opposite page right) as Crazy Luke Graham overpowers him.

Crazy Luke Graham may be really living up to his nickname! That thin line separating him from being a certified madman is in danger of being erased. And what happens to his opponents then?

A handful of Jones' hair comes in handy as the totally berserk Graham tries to make S.D. suffer as much as is humanly possible. Graham refuses to calm down in most of his recent matches.

For years, Graham's behavior was treated with virtual indifference. Wrestling people tolerated his explosions of madness, accepted his peculiar behavior as just that, peculiar.

But recently, Graham has crossed that thin line separating eccentricity from insanity. He is desperately fighting to stay sane.

He may be losing this battle.

"He's crazy, man," declared S.D. Jones after his match against Graham. "I've wrestled him before and he's acted badly, but never, ever like this. He's gone over the edge. He was mumbling something about other universes and how he is going there on his lunch break. He's out of it, man."

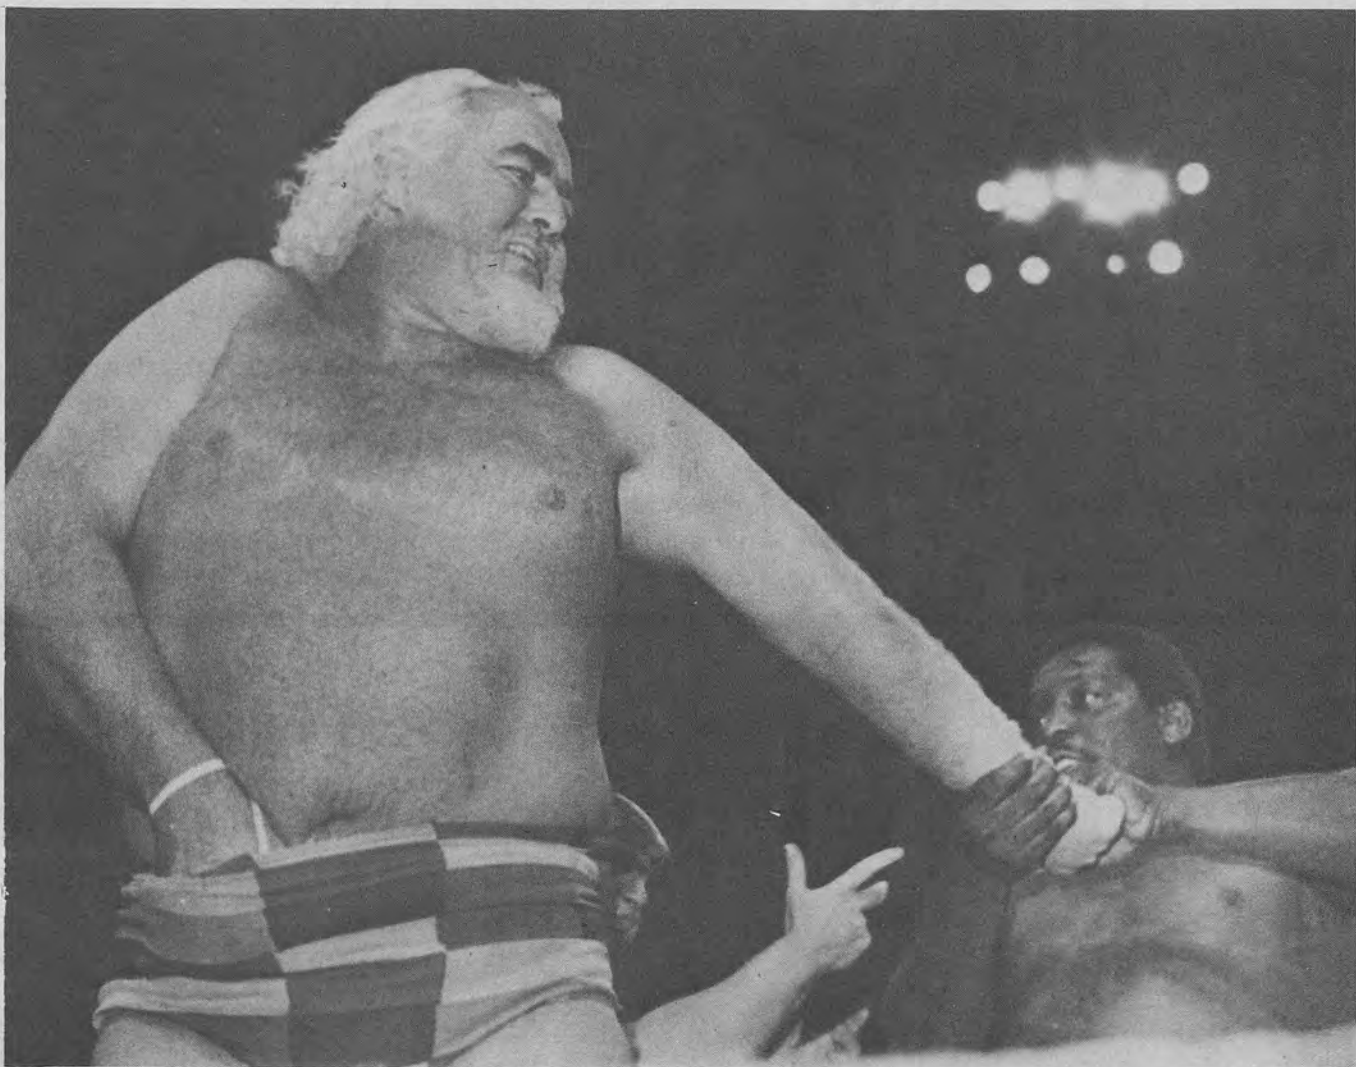

Promoters are frightened every time they book Graham. Opponents are terrified lest he lose this bare thread of control while in the same ring with them. And now an alarming fact has been illuminated by the wrestling world's concern.

Graham's last five matches have been attended by a team of psychiatrists hired by the Institute for Fairness in Wrestling. Their purpose is to study Graham as part of an overall psychological examination.

"We have not yet reached a final decision, but it appears that Mr. Graham is a deeply disturbed individual," said one psychologist. "At this moment, we are not prepared to issue a finding which would, in effect, bar him from the sport. We want to observe him a little longer.

"But he has suffered a gradual deterioration of his mental faculties. He cannot reason anymore. He does not appear to know where he is or even what his name is. I am afraid that unless this situation is frozen and attempts made to reverse it, he may end up in a mental institution."

Graham's close friends angrily dismiss such conclusions. Superstar Graham becomes livid at

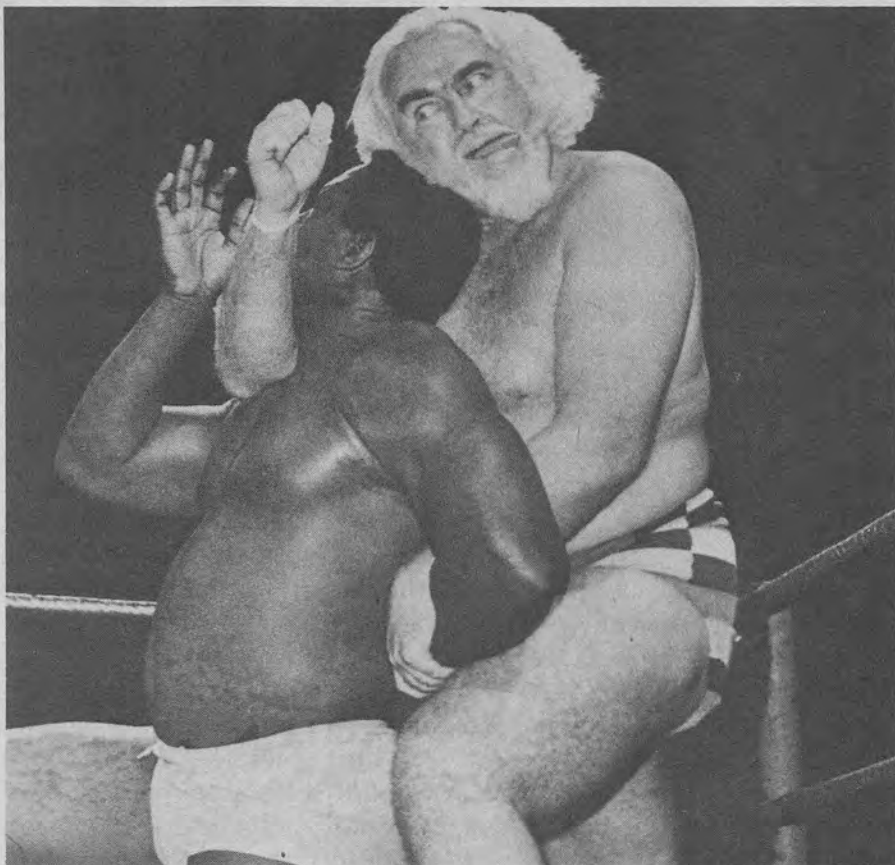

The referee and S.D. can't see it (above), but Luke is about to pull a foreign object from his trunks! Note the look on his face (below) Is he insane?

any suggestions that his brother is insane.

"Luke is more normal than anyone I ever met. That bunch of witch doctors trying to say otherwise should go back to shrinking heads."

Expected defenses by friends and family and detached, clinical observation by psychiatrists can only give a portion of the story. Graham is in real trouble. And, while he was never coherent, at least there were flashes of understanding dancing through the large eyes. But now . . .

"Huh? Who you say was?" Graham responded to a question. "Yeah, sure I am but when? Yeah, so there, right . . ." □

PHOTOGRAPHS OF THE world's most beautiful models were spread out across the desk. Exquisite women of every shape and size were

before the first ounce is sold. Naturally, every top model in the world is vying for this incredible opportunity.

"If she's famous, forget her!" was the word from the advertising agency president. "This girl has to be new, fresh, associated with 'Affair' and 'Affair' alone. We find that girl and we have our campaign."

Brian Farrell examined the

man's blood run hot and cold at the same time.

The girl next door was Liana, a woman whose gentle beauty could overcome the strongest man. She could penetrate the senses beyond the mind's control, making anyone a willing slave to her lush beauty. One look at the photo of Liana would have every husband in the world buying "Affair," dreaming of turning their wife into this wondrous young lady. As Brian knew, "Affair" was just a perfume; Liana was a vision.

photos time and time again. There were two ways the ad campaign could go. The "Affair" girl could either be a cool blonde beauty, the epitome of glamour and sophistication. On the other hand, she could be a young suburban matron, the most beautiful girl-next-door in the world.

Each category had an unknown model that fit the bill. For his blonde, Brian chose Sheila. She stared into a camera as if barely tolerating its invasion of her privacy. She could make a

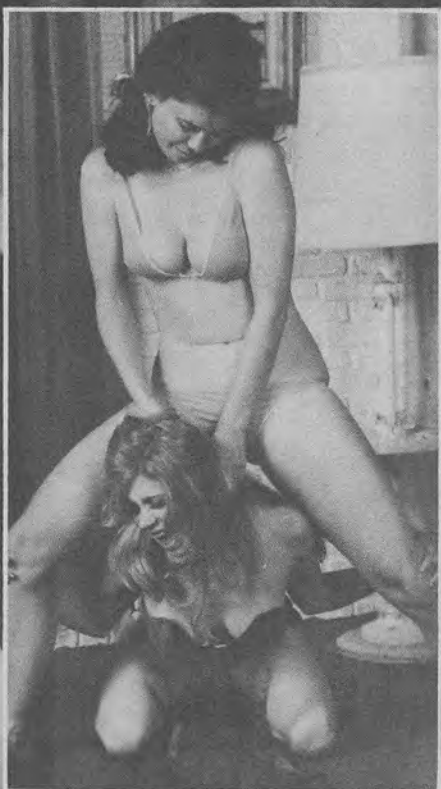

woman to his office. He asked to see their portfolios, trying to get some idea of their talents. Sheila would look perfect in a gown in front of the Plaza Hotel, as if going to some charity gala. The woman reeked of money, as if she was intimate in a world most people could only imagine. If she represented "Affair," it would quickly become the most *chic* scent in America.

Talking to Sheila was an experience Brian will never forget. She expected men to worship her. Spoiled by beauty,

she assumed every request was a command. That another woman might possibly be considered for this job enraged her. It was unthinkable there was beauty equal to hers.

If Liana was the girl next door, it must have been one heck of a swinging neighborhood. Reckless in all areas, her portfolio showed a model who could be both wretched and spectacular. Choosing her would be a risk, for she couldn't control her talent. But if the risk paid off, Liana would become the world's most famous model. And Brian would be the man who discovered her. That would put both of them on easy street.

It used to be said that if you stand on New York's 42 Street long enough, sooner or later you'll meet everyone you've ever known. It can now be said if you attend apartment wrestling matches long enough, you'll meet everyone of a certain type you've ever known. In an insular society, there are no coincidences; every combination is bound to occur sooner or later. Watching Sheila and Liana walk, their erotic grace borne from an elegant fury, Brian should have guessed the two women were apartment wrestlers. And they should have guessed he was a regular spectator. However, the shock of recognition on all three faces when they met at an apartment wrestling match showed that the trio were poor guessers indeed.

Brian almost dropped his drink when Sheila walked into the room, dressed in her bikini,

MEMPHIS, TENN.—Tennessee wrestling can still be summed up in two words—Jerry Lawler. The King of the South has put on a few pounds and is more powerful than ever. In addition, he has worked out in a special program which has increased his speed and agility. Many people have tended to write Lawler off recently as a threat to the AWA throne. Jerry intends to make those so-called experts eat their words.

"Look, Randy," Lawler told me in an exclusive interview recently, "I know I've got the ability, guts and intelligence to be AWA champ. All I need is one more chance, one more shot at

Bockwinkle. He can't survive. I know I'll beat him."

When I contacted Nick Bockwinkle, asking him when he will wrestle Lawler again, he sneered, "When I feel he's a real contender. My sources tell me he's an overrated bum."

I then asked Nick who his alleged sources were. He called me a very unprintable name and hung up. Now you don't suppose the AWA champion is afraid of Jerry Lawler, do you?

Paul Kesselman, New York, New York: "From what I've seen, Bob Backlund is tops. He's young, well-built and has a world of talent. I know he's only been champion a short while, but there's no one to compare with him."

Nancy Silver, Houston, Texas: "People are gonna talk about me for this. I don't care. Ric Flair. No wrestler is as good as Ric. Only reason he's not champ is because the puny bleeding-hearts are conspiring against him. Too bad

rulebreakers don't get the fair publicity they deserve. Ric is the greatest."

Randy Kane, Richmond, Virginia:
"Andre the Giant. Look at his record. He's never lost. You can take all the braggarts and all the guys with their masks and their fancy maneuvers, and stuff 'em down the chute. You go on

performance and Andre's done it time and again. That is what determines a great wrestler. Never lost. I don't know how anyone can say there's a better grappler." ☐

Reader Paul Files says Rick Steamboat is
boring! We're sure many other fans will
disagree.

HOW DARE YOU!

This is an outrage. Some
wrestlers are mediocre and can
be judged. Then there are men
like Bob Backlund. The fact that
you people had the gall to grade
him was bad enough. The fact
that he didn't score a consistent
A+ demonstrates your lack of
wrestling knowledge.

You're talking about
someone who is young, strong
and skilled. Maybe you morons
are too used to seeing bloated
cows like Rhodes.

Couldn't you just write one
paragraph and tell the truth,
which is that Bob Backlund is
the greatest. What really
happened is that you cretins
couldn't think of anything else

BORING, BORING

Ever read about one guy so
long and never see him do
anything so that you get
nauseous? That's how I feel
about Rick Steamboat.

He's a dull, lifeless character.
He'll never amount to much, yet
there are always articles about
him. How much are you guys
getting paid off?

There are a lot of fresh new
faces, like Tommy Rich and
Tully Blanchard, without using
the same old tired guff on a loser
like Steamboat.

PAUL FILES

Fans criticized us for judging Bob Backlund (above). Others were glad to see Nick Bockwinkel (below) learn a painful lesson from Angelo Mosca.

ELEANOR ANDERSON

IT WON'T HELP

Despite the beating Angelo Mosca received and despite the harsh realization that he is a cruel man, Bockwinkel won't ever change.

Sure, he saw himself in the mirror. But Angelo Mosca has a chance to make something of himself. Nick is already finished because he has the immoral manager Heenan draped over his career.

"I think it was might nice of my good friend Ole to pay the fine for me," Hansen said. "All he wanted me to do was leave the good guys and rejoin my brothers in the rulebreaker world. I made the right choice. You didn't see any good guys offering to pay the fine, did you?"

True, the good guys didn't offer to pay Hansen's fine. They thought he should pay it. Now that

In previous years the matches between masked Mr. Wrestling II and Stan Hansen have been all out wars (above and below). They became friends, but now despise each other again.

In Columbus, Georgia, Il and Hansen as partners are interviewed (above). Hansen as a "good guy" against the hated Angelo "King Kong" Mosca (below).

Hansen's money problem has been resolved, the scientific wrestlers of Georgia feel they owe Stan Hansen something.

"Revenge," declared Mr. Wrestling II. "He made a fool out of all of us with his disgusting spectacle of greed and treachery. He'll pay for it. Let's see if Anderson comes to Hansen's rescue then." ☐

ready to wrestle. She spied the advertising executive and gave him a mock salute. Brian returned the greeting, trying to equal Sheila's sophisticated conceit. He didn't come close.

However, even Sheila registered emotion when Liana walked into the room. The three people stood there in amazement, shocked how their lives had brought them together at this moment. It took a second before the women realized the importance of the moment. Then, they thought of nothing else.

Neither girl had to be told what a facial injury would mean to the other. A broken nose would end any chance of the victim becoming the "Affair" girl. It wouldn't even have to look like an accident. The expression on each woman betrayed the bloodlust in the air.

This was the last thing anyone wanted. Apartment wrestling has been growing too violent in

penthouse the match was to take place.

"I don't know what's going on," he declared, "but I'm not going to permit a bloodbath. At the first sign of any ugliness, this match is over."

"I think I can help," Brian volunteered. "Let me just remind these ladies that the model will be chosen for her beauty and grace, not savagery. Also, we could make an excellent campaign around our third choice."

Liana and Sheila didn't need a weatherman to know which way the wind blows. Brian would be impressed by the way they moved, their grace under pressure. The agony and the ecstasy of their match would decide who would become the famous model. The loser would walk the long and winding road to oblivion.

Violence and injury would not be the answer. What the match

must be is a sort of furious ballet, using the majesty of athletic prowess to impress and awe. Of course, if in the course of the battle a little agony was inflicted, all the better.

So warned, the two women stood before each other. Every muscle in their lush bodies tensed with anticipation. Liana slowly licked her lips in anticipation, and they glistened scarlet red. Sheila simply stood ramrod straight, exquisite in her aloof attraction.

The signal was given. The match began. Like warring

Finally, they were no more than a foot apart, their silhouettes next to each other outlining two different but remarkable beauties. Then, they clashed.

The pair spun each around a few times, whirling from first

contact. They both stumbled away, neither affected by the momentary tussle. Almost instantly, they rushed at each other again. This time, things began to happen.

Liana drove hard and fast at Sheila, wrapping her hands around the blonde's neck. Sheila grabbed wildly at Liana's halter, digging her nails into the brunette's back. Liana, spurred

hit hard into her foe's belly, doubling Liana over. Another kick, this time planned, sent the brunette reeling back. Sheila was up in a moment, ready to pounce.

Before anyone realized what happened, Sheila was astride her victim, looking like a cowboy riding a bucking bronco. The blonde wrapped her legs around her foe, digging her left knee into

weight, Liana collapsed. It was the best thing she could have done. Sheila rolled to her right and came down crashing hard onto the carpet. The blonde's head thumped hard, making Sheila's brain reel.

Groggy, Sheila labored to regain her senses. Liana, enraged at the beating she had taken, forgot her vow of restraint. Her fury knew no bounds. With a cry of anger, she leaped upon her blonde victim. What follows took place in the space of less than a minute. It will remain implanted in the memory of spectators forever.

Liana grabbed Sheila's leg and yanked it as if it was a length of rope. The blonde's lush body snaked lifelessly like an uncoiled whip. Sheila's face snapped hard into the carpet. Scarlet stains seeped into the fabric as the victim bled slightly from the mouth.

It was a shocking sight, but the action was now crackling with the instantaneous electricity of lightning. Liana grabbed Sheila by her blonde locks and lifted the victim to her feet. Without hesitation, Liana smashed her fist into Sheila's body. The blonde collapsed like a marionette whose strings had been cut.

Two more blows to the belly followed. Then Liana allowed Sheila to fall only to kick her on the way down; the brunette's foot smacked into Sheila's left breast. The blonde jerked, rolled around in mid-air, and then came crashing down to the carpet.

Death seemed to glow from Liana's liquid-brown eyes; they sparkled with delight at her foe's agony. Someone might have stopped the match, but everyone was paralyzed with fascination. The speed with which all this happened made interference,

Sheila was lucky and Liana was unlucky. The blonde's heel

DOCTOR'S PROGRAM FEATURING CRASH-BURN DIET AND AMAZING
CAPSULE FORCES YOUR BODY TO BURN AWAY FAT AS IT...

Neutralizes All The Calories In The Food You Eat!

Meaning: After Each Time You Eat, Your Body
Breaks Down Bulging Fat and Burns It Away —
So You Grow Slimmer and Slimmer From Meal to
Meal. (up to a full size smaller in just 5 days) ...
as you melt away both fluid and fat at the in-
credible rate of as much as

2 POUNDS GONE THE FIRST 24 HOURS

6 POUNDS GONE THE FIRST 48 HOURS

10 POUNDS GONE THE FIRST 7 DAYS

and depending on how overweight you are — how much you
want to lose — and how fast you want to lose it **BURNS AWAY UP
TO ANOTHER 30 — 40 — 50 POUNDS, OR EVEN MORE!**

**URNS EVERY LAST BIT OF FOOD YOU EAT INTO BURNED-AWAY
ENERGY INSTEAD OF STORED-UP FAT!** Medical science has
proven conclusively that in your body there exists a fat-burning
system of natural chemical fat-destroyers so powerful they are
capable of **NEUTRALIZING THE EFFECT OF ALL THE CALORIES
IN THE FOOD YOU EAT.** That once you discover how to unleash
these fat-destroyer chemicals against clinging pockets of fat
... you can actually compel your body to **GROW SLIMMER,
INSTEAD OF FATTER, AFTER EACH MEAL YOU EAT!**

**WORKS SO FAST — THE VERY FIRST WEEK ALONE YOU LOSE
AN AVERAGE OF UP TO 1½ POUNDS OF BODY FLUID AND FAT
EVERY 24 HOURS!** Now from one of America's leading obesity
specialists comes a thrilling crash-burn way to slimmer ...
that does away with all the torture of rigorous diet ONCE AND
FOR ALL — ends brutal exercise FOREVER!

What this doctor has done is simply this: Found a surefire
way for you to gently raise the level of your fat-burning metab-
olism ... step up the flow of your body's own natural fat-
burners ... so that every time you eat ... your system auto-
matically **NEUTRALIZES THE EFFECT OF ALL THE CALORIES
IN THE FOOD YOU TAKE IN — AND YOUR BODY MELTS AWAY
FAT LIKE HOT WATER MELTS DOWN ICE!**

Yes, with this doctor's thrilling **ANTI-CALORIE PROGRAM** and
capsule, you "rev up" your inner furnace — you neutralize all
the calories coming in — so not one ounce of the food you eat
can possibly turn to fat:

**ACTUALLY SHRINKS YOUR BODY'S FAT CELLS STARTING IN
JUST HOURS!** Yes, based on published reports from professors
at leading medical schools ... PLUS experimental fat-burning
studies on U.S. Army officers, West Point Cadets and indepen-
dent research tests ... with the food you eat on this doctor's
CAPSULE PROGRAM ... your body automatically neutralizes
the effect of all the calories you take in — automatically forces
pounds and inches to vanish so **FAST**, that before you hardly
know it, you:

LOSE UP TO 4 TO 6 INCHES OFF YOUR WAISTLINE
LOSE UP TO 2 TO 5 INCHES OFF YOUR HIPS
LOSE UP TO 3 INCHES OFF YOUR THIGHS
LOSE UP TO 4 INCHES OFF YOUR BUTTOCKS
LOSE UP TO 4 INCHES OFF YOUR STOMACH

... as you start to win the physique of a naturally skinny
person ... those types who never seem to gain an ounce!

**YOUR TUMMY FEELS LIKE YOU FEASTED, BUT YOUR WAIST-
LINE LOOKS LIKE YOU FASTED!** Just to give you an idea of
how fast this thrilling anti-fat wonder-weapon burns away excess
fat and inches ... according to California University Medical
School research on energy burn-off you can actually melt away
more fat each 24 hours than if you ran 10 to 14 miles a day! —
Lose more pounds each week than if you did 300 sit-ups each
morning and 300 push-ups each night! **LOSE as much as a FULL
SIZE THE FIRST 5 DAYS ALONE** ...

**BEST OF ALL — YOU STAY SLIM FOR GOOD! BECAUSE AT LONG
LAST, YOU HAVE IN YOUR HANDS A LIFETIME WEAPON TO
DEFEND YOURSELF AGAINST FAT BUILD-UP!** Yes, when you
arm yourself with this thrilling **ANTI-CALORIE CRASH-BURN
PROGRAM** and doctor's capsule ... you actually fortify yourself
with the only thing you'll ever need for **LIFETIME PROTECTION**
against excessive fat build-up. That's because, medical science
now offers you a proven way to neutralize all the calories in
the food you eat — gently step up your metabolism ... stimulate

VITAL NOTICE: Before starting this program, consult with
your physician to be sure you are in normal health and your
only problem is excess weight. Individuals with high blood
pressure, heart disease, diabetes, or thyroid disease should
use only as directed by a family physician and see if he
doesn't agree that this Lifetime Road to Slimness including
the few minutes of nightly toneup the doctor highly recom-
mends is by far one of the most medically sound, fully sen-
sible approaches to the problem of excess weight.

Called the Anti- Calorie Capsule Program

because that's precisely
what it does ... attacks
the greatest single cause
of fat build-up ... over-
eating due to runaway
appetite ... helps you
create a calorie-deficit
in your body ... that
steps up the rate of fat
burn-off ... and shrink
your body's fat cells,
starting the very
first day!

and "target" your body's "fat-burner" chemicals to
attack clinging pockets of fat, so you burn away excess
flab meal to meal these 3 medically proven ways:

**ONE — BECAUSE YOU CONSTANTLY NEUTRALIZE THE
EFFECT OF THE CALORIES IN THE FOOD YOU EAT.
YOU BURN AWAY STORED-UP FAT AND CONTINUE TO
GROW SLIMMER AND SLIMMER FROM MEAL TO
MEAL!** Yes, when you launch yourself on this doctor's
calorie-deficit crash-burn program you gently step up
your inner furnace! So when food enters your body,

instead of being stored as fat, it is **AUTOMATICALLY** converted
to burned-away energy.

**TWO — YOU GRADUALLY ACCELERATE YOUR FAT-BURNING ME-
TABOLISM** by greater caloric burn-off than intake. Meaning:
your body, without you even feeling it, unleashes a steady surge
of fat-burner chemicals directly into your system to attack stored-
up fat ... automatically breaks down ... converts it into fluid
... that drains right out of your body!

Just like a furnace grows hotter and hotter the more you stoke
it ... so your own body burns away fat faster and faster the
more you step up your fat-burning metabolism.

**THREE — YOU COMPLETELY DEFEAT THE GREATEST SINGLE
CAUSE OF FAT BUILD-UP, runaway appetite and overeating.**
Because the moment you take this doctor's **CAPSULE**, ravenous
hunger disappears. Gnawing appetite is switched off ... you
lose your craving for food for hours at a time.

More significant ... when you do eat on this Doctor's
CRASH-LOSS diet and Lifetime-Slim maintenance program, since
your body completely **NEUTRALIZES THE FAT-BUILDING EFFECT
OF ALL THE CALORIES IN THE FOOD YOU EAT**, excess fat
simply cannot form ... stored-up body fat burned off and
melted away by the hour — and you continue to grow slimmer
instead of fatter after each meal you eat!

**DOCTOR ADVISES: USE THIS CRASH-BURN PROGRAM ONLY
WHILE YOU'RE OVERWEIGHT ... OTHERWISE YOU MIGHT
GROW TOO THIN!** Of course, there is one thing you must keep
in mind. You cannot use this **CAPSULE CRASH-BURN PROGRAM**
indefinitely ... otherwise, you might become overly thin.

Also, as long as you are on this **ANTI-CALORIE** Program you
cannot stuff and gorge yourself silly on over-rich, high-fat
foods. There is a reasonable limit on just how fast medical
science can help you safely burn away fat, **BUT —** and here's
the very heart of this wondrous development: Because this
thrilling **ANTI-CALORIE** concept not only helps you neutralize
the effect of the calories in all the food you eat ... but
ALSO puts gnawing appetite to sleep ... you simply lose
that driving urge, that maddening craze to make fattening food
the very center of your existence ... thanks to this medically
proven formula that contains the most powerful reducing aid
ever approved for release to the public, without a prescription,
by the United States Government!

Now just think what this great **ANTI-FAT** weapon means to
you, if all your life you've had to fight off excess pounds, battle
away inches?

**WHY "KILL" YOURSELF WITH BRUTAL DIET OR TORTUROUS

Apartment Wrestling Explosion

(Continued from Page 62)

Sheila smiles viciously as she stretches her brunette opponent's legs to very near the breaking point. This was perhaps the most violent confrontation in the annals of apartment wrestling.

even comprehension, impossible. It is comparable to viewing a bullfight; no matter what you felt beforehand, at the arena one never feels sorry for the bull.

But any reflection was impossible as Liana continued this awesome display of feminine brutality. Grabbing Sheila by the leg, Liana dragged her victim across the carpet, mercilessly burning Sheila's breasts, belly and thighs. Spasmodically jerking from her agony, Sheila was forced to endure this torture. Before releasing her victim, Liana raised her high and kicked, her

foot smashing into Sheila's neck. The grotesque moan of the blonde echoed throughout the apartment. No one heard, however, so rapt were they in subsequent events.

Liana was past all control, her mind long ago given way to the primitive instincts of the animal. A madness seemed to possess her as spittle ran unchecked down her chin and body. She leaped on her fallen foe, driven only by a lust to conquer.

No one can tell how Sheila managed to do what she did next. Perhaps she shared Liana's bloodlust. Whatever the

reason, as Liana came down on her, Sheila rolled away and managed to squirm into position. Before anyone knew what happened, the blonde's teeth were clamped on her tormentors thigh.

Liana let out a bloodcurdling scream as the fangs dug deep into her flesh. Her fists beat a tattoo on Sheila's head as she tried to force the death grip loose. But the blonde was now welded by hatred to her foe and no force on earth could loosen it.

It was a strange tableau. A beautiful blonde, battered and desperate, paralyzed with tension as she clamped down on her foe's thigh, a beauty flailing wildly as she struggled to free herself. It seemed as though the pair was frozen in this ritual for hours, although it couldn't have lasted more than 10 seconds.

Finally, Sheila's jaw started to tremble and the jaws forced themselves open. Liana scurried away, blood dripping from the puncture marks on her thigh. Sheila collapsed from exhaustion.

Liana was rushed to a hospital, as human bites are more dangerous than animal bites. Sheila spent the night in the penthouse, her virtue protected by weariness. James Diamond wondered if his penthouse should ever again be the site for apartment wrestling. Two beautiful women had turned into killers. If this had been an alley instead of a penthouse, one of the girls would surely be near death.

As for the "Affair" model, it was a third young lady who got the assignment. What Brian Farrell had seen that night so terrified him that he couldn't in good conscience recommend either woman for this grueling, sensitive job.

It was supposed to be a calm match. ☐

BIG MUSCLES? In 7 days

my method of **DYNAMIC-TENSION** starts giving you results you can feel and your friends will notice. Big, useful muscles. Gain pounds in weight where needed.

Lose "pot belly." Take a good honest look at yourself! Are you proud of your body — or are you satisfied to go through life being just "half the man" you could be? No matter how ashamed you are of your present physical condition — or how old or young you are — the "sleeping" muscles already present in your body can turn you into a **REAL** man! Believe me, I know — because I was once a skinny, scrawny 97-pound half-alive weakling! People used to laugh at my build and make fun of me. I was ashamed to strip for sports or the beach . . . shy of girls . . . afraid of healthy competition.

HOW I CHANGED FROM A 97 LB. WEAKLING TO A REAL MAN.

One day, I discovered a secret that changed me from a timid, frightened scarecrow into "The World's Most Perfectly Developed Man" — a "magic formula" that can help turn *you*, too, into a marvellous physical specimen . . . a **REAL** man from head to toe . . . a man who **STANDS OUT** in any crowd! What's my secret? "**DYNAMIC-TENSION**" — the natural method! No theory. No gadgets or contraptions. You just do as I did. Simply take the "sleeping" muscles already present inside your own body — build them up — use them every day in walking, bending over, reaching, even sitting! Almost before you know it, you're covered with a brand-new suit of beautiful, rock-hard **SOLID MUSCLE!**
